Pursuant to N.D.C.C. § 49-22.1-15(1), the undersigned, Matthew Gillett, Director of Project Development, a representative of ONEOK Bakken Pipeline, L.L.C., ("ONEOK") with authority to bind ONEOK to the following, hereby certifies as follows:

1. In an order dated May 1, 2019, in the above captioned matter, the North Dakota Public Service Commission ("Commission") approved Certificate of Corridor Compatibility No. 209 and Route Permit No. 219 for the construction, operation, and maintenance of a 20-inch diameter, 74.3-mile-long natural gas liquids ("NGL") transmission pipeline in McKenzie County, North Dakota (the "Project"). The Project originates at the Demicks Lake Natural Gas Processing Plant in McKenzie County and terminates in Richland County, Montana.

2. ONEOK hereby provides the Commission with written notice of its intent to modify the Project route within the approved corridor designated by Certificate of Corridor Compatibility No. 209. Route modifications are proposed to address various constructability constraints.

3. Pursuant to N.D.C.C. § 49-22.1-15(1):

    a. The construction activities will be within the designated corridor;
    b. The construction activities occur within areas previously surveyed and will not affect any known exclusion or avoidance areas within the designated corridor; and,
    c. ONEOK will comply with the Commission's order, laws, and rules designating the corridor and designating the route.

4. Attached to this Certification as Exhibit A, are Project maps depicting the designated corridor, route, and route modifications. Updated shapefiles containing the route modifications are also included.
