MISTER BREGER By Dave Breger

"I've strained myself for the last time, tryin' to raise these stuck windows!"

PRESENT DANGER

light. There were branches all over the yard, some on the east side of the house. The wind here was from the west. It either blew or sucked my new roll up door on the north side of the barn where there is a garage.

My damage was minor compared to what happened for others. Duane Newman had a pole barn pulled out of the ground, as did some others east of here. On Christian Hoseth's farm north of me, the old white storage shed went down and the biggest and saddest part is that the Bethel Lutheran church was blown apart. That wind came from the southeast and took it apart, setting it down where one part is over the Gerdiveg headstone just next to the Hoseth lot. A 2x4 was driven into the ditch west of the road with debris in the field. I'm not sure how old the church was; I know it was built but the members and Erling's dad Benny was one of them. It was a unique building; did not have a foundation and no one wanted to preserve it. No, some did, but nothing was done about it.

You know, I wonder about a deeper subject, and that's about what do we value in the world today here in America? Do we value the foundation of how America was started? As in last weeks news, I jumped from one area into how it went when the first people could not set foot on land until they had overcome their stresses that cause discourse on the trip over. We had a good start, a Good Constitution that is now being pulled apart. We are not the Godly Nation we once were. We have let them in DC turn us Inside Out and stomp on us. All for what? Greed. Money.

Derek Tanner, Brady, Dane Skaar & Dallas Halverson, Dusty Reynolds had family time on a camping trip to near Bismarck from Friday to Sunday.

Scott Anderson and boys and Kim Reynolds visited the Leslie Andersons on Friday. Later, Janice had lunch with several classmates.

Dorothy Lantto's daughter Margie and her kids Paul and Roxy and Dorothy's son Jim visited her on Sunday.

Fancy and Rooster Reynolds spent Thursday to Monday near Round Up, MT with their dad Wes as he worked on an oil rig job. Sounds like fun.

Lenore Pausig Jamestown and children visited her folks Saturday and Sunday. The young people are helping their granddad with his yard
