

SELF-BOND RIDER TO REDUCE BOND AREA AND AMOUNT
PUBLIC SERVICE COMMISSION
RECLAMATION DIVISION
 SFN 19152 (Rev. 08-2001)

Permittee	
Permit Number	Self-Bond Number

This rider must be attached to and form part of the above listed self-bond number executed on behalf of the above named Permittee. The undersigned agree that the bond area is decreased by _____ acres to a new total of _____ acres of land, particularly described on the attached sheet as Attachment 1, and shown on the attached map as Attachment 2 both of which by this reference are made a part of this rider. The new bond area contains _____ acres of Federal lands containing leased Federal coal that are particularly described on the attached sheet as Attachment 3, and shown on the attached map as Attachment 4.

The undersigned further agree that the self-bond amount is decreased by _____ to a new total cash value of _____.

Under this obligation, the bond covers all performance requirements within the total bond area beginning on _____ (Date of original permit approval.)

Effective _____ (Date)

PERMITTEE

We, the above named Permittee request the State of North Dakota to execute this rider to decrease the total described acreage and amount of this bond.
