For landline-originated traffic, Subject Traffic is limited to calls to NPA/NXXs within CCNI customers' local or EAS calling scope.

For purposes of determining originating and terminating points of a call on the WWC network under this agreement, the originating or terminating cell site locations will be used as the point of call origination and termination, respectively.

- 1.15 "Local Exchange Carrier" or "LEC" means any person that is engaged in the provision of telephone exchange service or exchange access. ## **2. INTERPRETATION AND CONSTRUCTION**

All references to Sections, Exhibits, Appendices and Schedules shall be deemed to be references to Sections of, and Exhibits, Appendices and Schedules to, this Agreement unless the context shall otherwise require. The headings of the Sections and the terms are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning of this Agreement. Unless the context shall otherwise require, any reference to any agreement, other instrument or other third party offering, guide or

practice, statute, regulation, rule or tariff is for convenience of reference only and is not intended to be a part of or to affect the meaning of a rule or tariff as amended and supplemented from time-to-time (and, in the case of a statute, regulation, rule or tariff, to any successor provision).

### **3. SCOPE**

- 3.1 This Agreement applies to all Subject Traffic originated by the End User subscribers of one Party and terminated to end-user subscribers of the other Party which is (a) delivered over facilities owned or controlled by the Parties, which directly interconnect the Parties or, (b) indirectly connected, i.e., delivered over a Third Party Provider, performing transiting function, on behalf of the originating Party. Subject Traffic is subject to only the Reciprocal Compensation charges contained in Appendix A of this Agreement.
- 3.2 This Agreement is intended, inter alia, to describe and enable specific Interconnection/Reciprocal Compensation arrangements between the Parties. This Agreement does not obligate either Party to provide arrangements not specifically provided for herein. This Agreement relates to exchange of traffic between CCNI and WWC. CCNI's NXXs are listed in Telcordia's Local Exchange Routing Guide ("LERG") for Operating Company Number ("OCN") listed in Appendix A of this Agreement. WWC's NXXs are listed in LERG for OCN 5033 in the state of North Dakota.
- 3.3 This Agreement is limited to exchange of CCNI local exchange end-user customers' traffic for which CCNI has tariff authority to carry. This Agreement is further limited to exchange of WWC end user customers' traffic to which WWC provides service on a two-way wireless, mobile basis.
- 3.4 This Agreement does not cover the exchange of traffic for one-way mobile services such as paging, if provided by WWC. Should WWC desire to establish interconnection agreement with CCNI for such services, CCNI will engage in bona fide negotiations with WWC to establish an interconnection and compensation agreement for said one-way mobile services.
- 3.5 The Parties also agree to exchange traffic associated with Third Party local provider, if an agreement has been made between the originating Party and both the transiting Party and the terminating third party local provider. WWC shall not provide transiting function on behalf of CCNI.

#### **4. SERVICE AGREEMENT**

This Section describes the network architecture with which the Parties to this Agreement may interconnect their respective networks for exchange of Subject Traffic where the type of interconnection requested is reasonably available.

- 4.1 Indirectly Connected via a Third Party Provider: As an alternative to establishing a direct connection, either party may choose to deliver traffic from its network to a Third Party Provider and thus be indirectly connected with the other party for the delivery of traffic originated on that party's network. Upon request from either Party, the Parties shall work cooperatively to implement direct interconnection arrangements and to amend this Agreement, as required.

#### **5. COMPENSATION**

##### 5.1 Traffic Subject to Reciprocal Compensation

Reciprocal Compensation applies to the Transport and Termination of one Party's Subject Traffic by another Party over the indirect interconnection arrangement as described in Section 4.0.

The rate for Reciprocal Compensation is listed in **Appendix A** to this Agreement.

- 5.2 Direct Billing. The Parties shall pay each other for all charges in accordance with the rates set forth in Appendix A of this agreement. Such payments are to be received within 45 days from the date of the billing statement. The Parties shall pay a late charge on any undisputed charges, which are not paid within the 45-day period. The rate of the late charge shall be the lesser of 1.5% per month or the maximum amount allowed by law. Each Party shall pay the other Party the reasonable amount of the collecting Party's expenses related to collection of overdue bills, such amounts to include reasonable attorney fees. If either Party disputes a billing statement issued by the other Party, the disputing Party shall notify the billing Party in writing regarding the nature and the basis of the dispute within thirty (60) days of the statement date, or the dispute shall be waived. The Parties shall diligently work toward resolution of all billing issues.

##### 5.3 Calculation of Payments and Billing.

- 5.3.1 WWC will compensate CCNI for Subject Traffic delivered to CCNI for termination to its customers, as prescribed and at the rates provided in Section 5.1 preceding. CCNI will compensate WWC for Subject Traffic delivered to WWC for termination to its customers, as prescribed and at the rates provided in Sections 5.1 preceding.

- 5.3.2 CCNI shall prepare a monthly billing statement to WWC which will separately reflect the calculation of Reciprocal Compensation and total compensation due CCNI. Actual terminating usage recorded by CCNI and/or records/reports provided by Qwest will be used for billing WWC. For purposes of this agreement, WWC will not measure or bill CCNI for its termination of Subject Traffic originated by CCNI. With respect to any CCNI-originated Subject Traffic, CCNI will issue a credit to WWC for Reciprocal Compensation based on CCNI's Reciprocal Compensation billed to WWC and the application of the Traffic Factor in Section 1.0 of Appendix A.
- 5.3.3 The reciprocal compensation credit will be calculated assuming a ratio of land originated to mobile originated traffic as set forth below. Divide the total number of monthly measured minutes of use terminated on CCNI's network by the Mobile to Land Factor. The total calculation will then be multiplied by the Land to Mobile Factor to arrive at the total CCNI minutes of use terminated on WWC's network per month. This monthly total will be multiplied by the Reciprocal Compensation rate set forth in Appendix A to obtain the Reciprocal Compensation Credit due WWC for the month. For example, CCNI determines that 10,000 minutes of WWC originated Subject Traffic has been delivered to it in a given billing period: The Parties will assume that 4,286 minutes of land originated calls were delivered by CCNI to WWC for termination ( $10,000/.70$  multiplied by  $.30$ ).
- 5.3.4 Due to the de minimus amount of inter-MTA traffic and the associated administrative cost of identifying and billing inter-MTA traffic, the Parties agree to a 0% Inter-MTA Traffic factor as an estimate of the Inter-MTA Traffic being exchanged. Therefore, all traffic under this Agreement exchanged between the Parties will be Subject Traffic.
- 5.3.5 Each party may request to inspect, during normal business hours, the records, which are the basis for any monthly bill issued by the other Party and to request copies thereof provided that the requested records do not exceed 24 months in age from the date the monthly bill containing said record information was issued.

## **6. NOTICE OF CHANGES**

If a Party contemplates a change in its network, which it believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least ninety (90) days advance written notice of such change to the other Party.

## **7. GENERAL RESPONSIBILITIES OF THE PARTIES**

- 7.1 Each Party is individually responsible to provide facilities within its network which are necessary for routing, transporting and, consistent with Section 5, measuring and billing traffic from the other Party's network and for delivering such traffic to the other Party's network in a mutually acceptable format, and to terminate the traffic it receives in that mutually acceptable format to the proper address on its network. The Parties are each solely responsible for participation in and compliance with national network plans, including The National Network Security Plan and The Emergency Preparedness Plan, but agree to work cooperatively on matters that require joint implementation. Neither Party shall use any service related to or use any of the Services provided in this Agreement in any manner that prevents other persons from using their service or destroys the normal quality of service to other carriers or to either Party's customers, and subject to notice and a reasonable opportunity of the offending Party to cure any violation, either Party may discontinue or refuse service if the other Party violates this provision.
- 7.2 Each Party is solely responsible for the services it provides to its customers and to other Telecommunications Carriers.
- 7.3 Each Party is responsible for administering NXX codes assigned to it.
- 7.4 Each Party is responsible for obtaining Local Exchange Routing Guide ("LERG") listings of Common Language Location Identifier ("CLLI") assigned to its switches.
- 7.5 CCNI agrees that local dialing parity will be available to WWC in accordance with the law to the same extent as it is available to other Telecommunications Carriers.

## **8. TERM AND TERMINATION**

- 8.1 Subject to the provisions of Section 13, the initial term of this Agreement shall be for one year ("Term") which shall commence on the Effective Date. This Agreement shall automatically renew for successive six-month periods, unless, not less than sixty (60) days prior to the end of the Term or any renewal term, either party notifies the other party of its intent to terminate this Agreement in writing.
- 8.2 The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:
  - 8.2.1 If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the "Non-Paying Party") shall, within thirty (30) days of its receipt of the invoice containing such disputed amount, give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include

in such notice the specific details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party. The Parties will work together in good faith to resolve issues relating to the disputed amounts. If the dispute is resolved such that payment is required, the Non-paying Party shall pay the disputed amounts with interest at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under North Dakota's applicable law. In addition, the Billing Party may cease terminating traffic for the Non-paying Party after undisputed amounts not paid become more than 90 days past due, provided the Billing Party gives an additional 30 days notice and opportunity to cure the default.

- 8.2.2 Any undisputed amounts not paid when due shall accrue interest from the date such amounts were due at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under North Dakota's applicable law.
- 8.2.3 Undisputed amounts shall be paid within thirty (30) days of receipt of invoice from the Billing Party.
- 8.3 Upon termination or expiration of this Agreement in accordance with this Section:
  - (a) Each Party shall comply immediately with its obligations as set forth above;
  - (b) Each Party shall promptly pay all amounts (including any late payment charges) owed under this Agreement;
  - (c) Each Party's indemnification obligations shall survive termination or expiration of this Agreement.
- 8.4 Either Party may terminate this Agreement in whole or in part in the event of a default of the other Party, provided, however, that the non-defaulting Party notifies the defaulting Party in writing of the alleged default and the defaulting Party does not correct the alleged default within thirty (30) days after receipt of written notice thereof.
- 8.5 If prior to expiration or termination of this Agreement either Party requests the negotiation of a successor agreement, then upon approval of the successor agreement this Agreement shall terminate. If the Parties are unable to negotiate a successor agreement within the statutory time frame set for negotiations under the Act, then either Party has the right to submit this matter to the Commission for resolution pursuant to the statutory rules for arbitration under the Act.
- 8.6 In resolution of the Parties rights, and in further consideration of this Agreement, each Party releases, acquits and discharges the other Party of and from any claim, debt, demand, liability, action or cause of action arising from or relating to the

payment of money for the transport and termination of traffic prior to the Effective Date of this Agreement.

**9. CANCELLATION CHARGES**

Except as provided herein, no cancellation charges shall apply.

**10. NON-SEVERABILITY**

10.1 The services, arrangements, terms and conditions of this Agreement were mutually negotiated by the Parties as a total arrangement and are intended to be non-severable.

10.2 Nothing in this Agreement shall be construed as requiring or permitting either Party to contravene any mandatory requirement of federal or state law, or any regulations or orders adopted pursuant to such law.

**11. INDEMNIFICATION**

11.1 Each Party (the "Indemnifying Party") shall indemnify and hold harmless the other Party ("Indemnified Party") from and against loss, cost, claim liability, damage, and expense (including reasonable attorney's fees) to customers and other third parties for:

(a) damage to tangible personal property or for personal injury proximately caused by the negligence or willful misconduct of the Indemnifying Party, its employees, agents or contractors;

(b) claims for libel, slander, or infringement of copyright arising from the material transmitted over the Indemnified Party's facilities arising from the Indemnifying Party's own communications or the communications of such Indemnifying Party's customers; and

(c) claims for infringement of patents arising from combining the Indemnified Party's facilities or services with, or the using of the Indemnified Party's services or facilities in connection with, facilities of the Indemnifying Party.

Notwithstanding this indemnification provision or any other provision in the Agreement, neither Party, nor its parent, subsidiaries, affiliates, agents, servants, or employees, shall be liable to the other for Consequential Damages (as defined in Section 12.3).

11.2 The Indemnified Party will notify the Indemnifying Party promptly in writing of any claims, lawsuits, or demands by customers or other third parties for which the Indemnified Party alleges that the Indemnifying Party is responsible under this

Section, and, if requested by the Indemnifying Party, will tender the defense of such claim, lawsuit or demand.

(a) In the event the Indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the Indemnified Party may proceed to defend or settle said action and the Indemnifying Party shall hold harmless the Indemnified Party from any loss, cost liability, damage and expense.

(b) In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.

(c) The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit.

## **12. LIMITATION OF LIABILITY**

12.1 No liability shall attach to either Party, its parents, subsidiaries, affiliates, agents, servants, employees, officers, directors, or partners for damages arising from errors, mistakes, omissions, interruptions, or delays in the course of establishing, furnishing, rearranging, moving, terminating, changing, or providing or failing to provide services or facilities (including the obtaining or furnishing of information with respect thereof or with respect to users of the services or facilities) in the absence of gross negligence or willful misconduct.

12.2 Except as otherwise provided in Section 11.0, no Party shall be liable to the other Party for any loss, defect or equipment failure caused by the conduct of the first Party, its agents, servants, contractors or others acting in aid or concert with that Party, except in the case of gross negligence or willful misconduct.

12.3 In no event shall either Party have any liability whatsoever to the other Party for any indirect, special, consequential, incidental or punitive damages, including but not limited to loss of anticipated profits or revenue or other economic loss in connection with or arising from anything said, omitted or done hereunder (collectively, "Consequential Damages"), even if the other Party has been advised of the possibility of such damages, except in the case of gross negligence or willful misconduct.

## **13. REGULATORY APPROVAL**

The Parties understand and agree that this Agreement will be filed with the Commission, and to the extent required by FCC rules may thereafter be filed with the FCC. Each Party covenants and agrees to fully support approval of this Agreement by the Commission or the FCC under Section 252(e) of the Act without modification. The Parties, however, reserve the right to seek regulatory

relief and otherwise seek redress from each other regarding performance and implementation of this Agreement. In the event the Commission or FCC rejects this Agreement in whole or in part, the Parties agree to meet and negotiate in good faith to arrive at a mutually acceptable modification of the rejected portion(s). Further, this Agreement is subject to change, modification, or cancellation as may be required by a regulatory authority or court in the exercise of its lawful jurisdiction.

The Parties agree that their entrance into this Agreement is without prejudice to any positions they may have taken previously, or may take in future, in any legislative, regulatory, judicial or other public forum addressing any matters, including matters related to the same types of arrangements covered in this Agreement.

**14. PENDING JUDICIAL APPEALS AND REGULATORY RECONSIDERATION**

The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated thereunder by the FCC and the Commission as of the Effective Date ("Applicable Rules"). In the event of any amendment to the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, dispute resolution procedures under this Agreement or other legal action purporting to apply the provisions of the Act to the Parties or in which the FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or reverses the Applicable Rules (individually and collectively, Amended Rules), either Party may, by providing written notice to the other party, require that the affected provisions of this Agreement be renegotiated in good faith and this Agreement shall be amended accordingly to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement.

**15. MISCELLANEOUS**

**15.1 Authorization**

15.1.1 CCNI is a corporation duly organized, validly existing and in good standing under the laws of the State of North Dakota and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, subject to any necessary regulatory approval.

15.1.2 WWC is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, subject to any necessary regulatory approval.

- 15.2 Compliance. Each Party shall comply with all applicable federal, state, and local laws, rules, and regulations applicable to its performance under this Agreement.
- 15.3 Independent Contractors. Neither this Agreement, nor any actions taken by WWC or CCNI in compliance with this Agreement, shall be deemed to create an agency or joint venture relationship between WWC and CCNI, or any relationship other than that of purchaser and seller of services. Neither this Agreement, nor any actions taken by WWC or CCNI in compliance with this Agreement, shall create a contractual, agency, or any other type of relationship or third party liability between WWC and CCNI end users or others.
- 15.4 Force Majeure. Neither Party shall be liable for any delay or failure in performance of any part of this Agreement from any cause beyond its control and without its fault or negligence including, without limitation, acts of nature, acts of civil or military authority, government regulations, embargoes, epidemics, terrorist acts, riots, insurrections, fires, explosions, earthquakes, nuclear accidents, floods, work stoppages, equipment failure, power blackouts, volcanic action, other major environmental disturbances, unusually severe weather conditions, inability to secure products or services of other persons or transportation facilities or acts or omissions of transportation carriers (collectively, a "Force Majeure Event"). If any Force Majeure condition occurs, the Party delayed or unable to perform shall give immediate notice to the other Party and shall take all reasonable steps to correct the force majeure condition. During the pendency of the Force Majeure, the duties of the Parties under this Agreement affected by the Force Majeure condition shall be abated and shall resume without liability thereafter.
- 15.5 Confidentiality
- 15.5.1 Any information such as specifications, drawings, sketches, business information, forecasts, models, samples, data, computer programs and other software and documentation of one Party (a Disclosing Party) that is furnished or made available or otherwise disclosed to the other Party or any of its employees, contractors, or agents (its "Representatives" and with a Party, a "Receiving Party") pursuant to this Agreement ("Proprietary Information") shall be deemed the property of the Disclosing Party. Proprietary Information, if written, shall be clearly and conspicuously marked "Confidential" or "Proprietary" or other similar notice, and, if oral or visual, shall be confirmed in writing as confidential by the Disclosing Party to the Receiving Party within ten (10) days after disclosure. Unless Proprietary Information was previously known by the Receiving Party free of any obligation to keep it confidential, or has been or is subsequently made public by an act not attributable to the Receiving Party, or is explicitly agreed in writing not to be regarded as confidential, such

information: (i) shall be held in confidence by each Receiving Party; (ii) shall be disclosed to only those persons who have a need for it in connection with the provision of services required to fulfill this Agreement and shall be used by those persons only for such purposes; and (iii) may be used for other purposes only upon such terms and conditions as may be mutually agreed to in advance of such use in writing by the Parties. Notwithstanding the foregoing sentence, a Receiving Party shall be entitled to disclose or provide Proprietary Information as required by any governmental authority or applicable law, upon advice of counsel, only in accordance with Section 15.5.2 of this Agreement.

15.5.2 If any Receiving Party is required by any governmental authority or by applicable law to disclose any Proprietary Information, then such Receiving Party shall provide the Disclosing Party with written notice of such requirement as soon as possible and prior to such disclosure. The Disclosing Party may then seek appropriate protective relief from all or part of such requirement. The Receiving Party shall use all commercially reasonable efforts to cooperate with the Disclosing Party in attempting to obtain any protective relief which such Disclosing Party chooses to obtain.

15.5.3 In the event of the expiration or termination of this Agreement for any reason whatsoever, each Party shall return to the other Party or destroy all Proprietary Information and other documents, work papers and other material (including all copies thereof) obtained from the other Party in connection with this Agreement and shall use all reasonable efforts, including instructing its employees and others who have had access to such information, to keep confidential and not to use any such information, unless such information is now, or is hereafter disclosed, through no act, omission or fault of such Party, in any manner making it available to the general public.

15.6 Governing Law. For all claims under this Agreement that are based upon issues within the jurisdiction (primary or otherwise) of the FCC, the exclusive jurisdiction and remedy for all such claims shall be as provided for by the FCC and the Act. For all claims under this Agreement that are based upon issues within the jurisdiction (primary or otherwise) of the Commission, the exclusive jurisdiction for all such claims shall be with the Commission, and the exclusive remedy for such claims shall be as provided for by such Commission. In all other respects, this Agreement shall be governed by the domestic laws of the State of North Dakota without reference to conflict of law provisions.

15.7 Assignment. This Agreement shall be binding upon the Parties and shall continue to be binding upon all such entities regardless of any subsequent change in their ownership. Each Party covenants that, if it sells or otherwise transfers to a third party, unless the Party which is not the subject of the sale or transfer reasonably

determines that the legal structure of the transfer vitiates any such need, it will require as a condition of such transfer that the transferee agree to be bound by this Agreement with respect to services provided over the transferred facilities. Except as provided in this paragraph, neither Party may assign or transfer (whether by operation of law or otherwise) this Agreement (or any rights or obligations hereunder) to a third party without the prior written consent of the other Party which consent will not be unreasonably withheld; provided that either Party may assign this Agreement to a corporate Affiliate or an entity acquiring all or substantially all of its assets or equity by providing prior written notice to the other Party of such assignment or transfer. Any attempted assignment or transfer that is not permitted is void ab initio. Without limiting the generality of the foregoing, this Agreement shall be binding upon and shall inure to the benefit of the Parties' respective successors and assigns.

15.8 Non-Waiver. Failure of either Party to insist on performance of any term or condition of this Agreement or to exercise any right or privilege hereunder shall not be construed as a continuing or future waiver of such term, condition, right or privilege.

15.9 Notices. Notices given by one Party to the other Party under this Agreement shall be in writing and shall be: (i) delivered personally; (ii) delivered by express delivery service; (iii) mailed, certified mail, return receipt requested; or (iv) delivered by telecopy to the following addresses of the Parties:
