

November 7, 2007

**Otter Tail Corporation
November 2007
Fuel Cost Adjustment**

Case No. PU-07-736

Otter Tail Corporation did not change its electric fuel cost adjustment, which therefore remains at 0.26 cents per kWh for the month of November.

Combining Otter Tail's fuel cost adjustment with its 1.65 cents per kWh base cost of fuel already included in base tariff rates brings Otter Tail's total average cost of fuel and purchased energy for billing during the month of November to 1.91 cents per kWh as shown on the graph below.
