

Jon Bell - Biography

Jon Bell - Lake Superior Consulting

Jon Bell is a Cathodic Protection Training Supervisor with Lake Superior Consulting in Duluth, MN. He has worked in the Cathodic Protection field for approximately 7 years and is certified as a NACE CP Technician (CP-2). Jon holds certifications in OQ performance evaluations for Veriforce and the Midwest Energy Association. He attained a Secondary Education/Broad Field Social Studies degree from the University of Wisconsin-Superior. Day to day, he oversees a program to ensure Cathodic Protection professionals at Lake Superior Consulting are provided classroom and field training, to continue professional growth within the industry.
