## **PSC Schedules Public Hearing for Proposed Wind Farm in Logan and McIntosh Counties**

BISMARCK, ND – The North Dakota Public Service Commission (PSC) will hold a public hearing on Tuesday, June 28, regarding a proposal to construct a wind farm and associated facilities in Logan and McIntosh Counties.

Badger Wind, LLC, is requesting a siting permit for the Badger Wind Project. The project would have a nameplate capacity of up to 251.6 megawatts and would consist of up to 74 wind turbines. Project infrastructure would include the wind turbines, access roads, a collector substation, electrical collection and communication systems, a transmission line, up to three permanent meteorological evaluation towers (MET towers), an Aircraft Detection Lighting System (ADLS), and an operations and maintenance facility. Estimated cost of the project is \$390 million.

The project would be located in Logan and McIntosh Counties, adjacent to the western and northern sides of Wishek, N.D. (Note to the media: A map showing the proposed location of the project has been provided to you for use with any announcements/stories you print.)

### **Details for the public hearing are as follows:**

- **Tuesday, June 28, 2022 – 9:30 a.m. Central**
- **Wishek Civic Center**  
**715 1<sup>st</sup> Avenue South**  
**Wishek, ND 58495**

The hearing provides an opportunity for members of the public to contribute to the PSC's official record. Any comments from members of the public must be received at the hearing to be part of the record. People with concerns, questions or support/opposition for the project are encouraged to attend the hearing and present their information. Information received after the hearing will not be part of the official record and cannot be used as a basis for the Commission's decision unless certain additional procedures are followed.
