RE: Case No. PU-2486-01-57
Citizens Telecommunications Company of North Dakota/
U.S. Link, Inc.
Interconnection Agreement
Application

Enclosed is a copy of the statement approved at the June 6, 2001 Public Service Commission meeting for the expenses incurred to date in Case No. PU-2486-01-57.

Under N.D.C.C. 49-21-01.7, these expenses are billed through the Valuation Fund and must be paid for by the telecommunications company involved.

Please make your check payable to the Public Service Commission.

Sincerely,

Gloria Geiger
Admin Staff Officer
701-328-2401

Interconnection Agreement
Application**

Case No. PU-2486-01-57

I move the Commission adopt the Order Approving Interconnection Agreement in the application of Citizens Telecommunications Company of North Dakota for approval of an assumption agreement negotiated with U.S. Link, Inc., Case No. PU-2486-01-57.

JRL/sdh

**STATE OF NORTH DAKOTA
PUBLIC SERVICE COMMISSION**

**Citizens Telecommunications Company of North
Dakota/U.S. Link, Inc.
Interconnection Agreement
Application**

Case No. PU-2486-01-57

ORDER APPROVING INTERCONNECTION AGREEMENT

May 9, 2001

On February 5, 2001, Citizens Telecommunications Company of North Dakota (Citizens) filed application for approval of an interconnection assumption agreement negotiated with U. S. Link, Inc. of Pequot Lakes, Minnesota. This agreement set forth terms and conditions under which Citizens will assume the obligations of Qwest Corporation Communications, Inc. under previously approved agreements.

The agreement was filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253.

On February 21, 2001, the Commission issued a Notice of Opportunity to File Written Comments which provided that the Commission would receive written comments on the agreement until March 26, 2001. No comments have been received.

The Commission has reviewed the agreement and does not find that it discriminates against a telecommunications carrier that was not a party to the agreement. The Commission finds that implementation of the amended agreement is not inconsistent with the public interest, convenience and necessity.

Order

The Commission orders:

1. The interconnection assumption agreement negotiated between Citizens Telecommunications Company of North Dakota and U. S. Link, Inc. filed with the Commission on February 5, 2001, is APPROVED.
2. The Commission retains continuing jurisdiction over the agreement at all times.
3. Notice of any changes to the agreement must be filed promptly with the Commission.
4. The agreement must not be assigned, assumed or otherwise transferred without the approval of the Commission.
5. Each party to the agreement shall respond reasonably and in good faith to the other party's requests to implement the agreement.

Subject: Attached Notice of Opportunity to File Written Comments

Good Morning Colleen,

Please have the attached Notice of Opportunity to File Written Comments published as a legal publication in the next issue of the ten North Dakota daily newspapers, and run it as a "News Item Only" article as well.

Send the bill to the Public Service Commission along with a tear sheet for billing purposes.

If you have any questions, call me at 328-4076.

Thanks.

NOTICE OF OPPORTUNITY TO FILE WRITTEN COMMENTS

February 21, 2001

On February 5, 2001, in, Citizens Telecommunications Company of North Dakota (Citizens) filed applications for approval of interconnection assumption agreements negotiated with Mid-Rivers Telephone Cooperative, Inc. of Circle, Montana (Case No. PU-2485-01-56) and U. S. Link, Inc. of Pequot Lakes, Minnesota (Case No. PU-2486-01-57). These agreements set forth terms and conditions under which Citizens will assume the obligations of Qwest Corporation Communications under previously approved agreements.

Also on February 5, 2001, in Case No. PU-2483-01-58, Citizens filed an application for approval of an amendment negotiated to its assumption agreement with Midcontinent Communications of Sioux Falls, South Dakota. This amendment sets forth terms and conditions for access to Citizen's operation support systems.

These agreements were filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253. Section 252(e)(4) requires that the

Commission must act to approve or reject an agreement adopted by negotiation within ninety (90) days after submission by the parties.

The Commission will receive written comments on these agreements until March 26, 2001.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials please notify Jon Mielke, Executive Secretary.

Bismarck, ND 58505

RE: Resale Agreement for Telecommunications Services between Citizens Telecommunications Company of North Dakota and US Link.

Dear Mr. John Mielke:

Citizens Telecommunications Company of North Dakota ("CTC-North Dakota") hereby submits for approval by the North Dakota Public Service Commission ("Commission") the enclosed "Agreement Modify and Assume Obligations Under an Interconnection Agreement" dated January 25, 2001 (the "Agreement"), which provides for US Link ("US Link") to interconnect with CTC-North Dakota. This Agreement was reached through voluntary negotiations without resort to mediation or arbitration and is submitted for approval pursuant to Section 252 (e) of the Communications Act of 1934, as amended by the Telecommunications Act of 1996 ("the Act") and the requirements of North Dakota Century Code 49-21-01.7(8).

Section 252(e)(2) of the Act directs that a state Commission may reject an agreement reached through voluntary negotiations only if the commission finds that

- (1) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- (2) the implementation of such agreement or portion is not consistent with the public interest, convenience and necessity.

CTC-North Dakota respectfully submits that the Agreement provides no basis for either of these findings and, thus, requests that the Commission approve the Agreement expeditiously. First, the Agreement does not discriminate against any other telecommunications carrier because CTC-North Dakota has made the terms of the Agreement available to other carriers. Second, the Agreement is consistent with the public interest as identified in the pro-competitive policies of the State of North Dakota, the Commission, the U.S. Congress and the Federal Communications Commission. The Agreement will enable US Link to provide service to, and interconnect with, a greater number of telecommunications customers in North Dakota. Expedient approval of this Agreement will facilitate immediate competition in the local exchange telecommunications market.

CTC-North Dakota further requests that the Commission approve this Agreement without a hearing and without allowing the intervention of other parties. Because this Agreement was reached through voluntary negotiations, it does not raise issues requiring a hearing and does not concern other parties not a part of the negotiations. Expeditious approval would further the public interest.

Enclosed are an original and seven copies of this filing. Also included is a copy of this letter. Please return the copy of this letter, date-stamped in the enclosed postage-paid envelope.

If you have any questions regarding this matter, please contact me at 801-553-0240 (voice), 801-553-0905 (fax) or ltade@czn.com (e-mail).

Sincerely,

A handwritten signature in black ink, appearing to read "L. A. Tade", with a long horizontal flourish extending to the left.

**AGREEMENT TO MODIFY AND ASSUME OBLIGATIONS UNDER AN
INTERCONNECTION AGREEMENT**

This agreement to modify and assume obligations under an Interconnection Agreement is made by and among Citizens Telecommunications Company of North Dakota ("PURCHASER") and US Link. This agreement is made in reference to the following facts:

A. U S WEST Communications, Inc. n/k/a Qwest Corporation ("Qwest"), and PURCHASER, successor by assignment from Citizens Communications Company, f/k/a Citizens Utilities Company are parties to an Asset Purchase Agreement dated June 16, 1999, pursuant to which Purchaser has agreed to purchase certain assets and facilities of Qwest comprising 8 telephone exchanges and 16,764 access lines in the State of North Dakota (the "purchased exchanges").

B. PURCHASER and Qwest have filed a joint application with the North Dakota Public Services Commission ("PSC") seeking approval of the sale, transfer of the purchased exchanges from Qwest to PURCHASER. PURCHASER has filed for the Certificate of Public Convenience and Necessity ("CPCN") from the PSC to be the provider of local exchange and exchange access service in the purchased exchanges. The Case Number is PU - 2173 - 99 - 520.

C. US Link is a competitive local exchange carrier ("CLEC") doing business in some of the purchased exchanges and a wholesale customer of Qwest's under its Interconnection Agreement with Qwest. US Link desires to continue, to the extent possible, to conduct business in the purchased exchanges under the terms of the Interconnection Agreement if and when PURCHASER takes over operations in the purchased exchanges.

D. PURCHASER wants to (i) minimize any impact upon US Link (and other wholesale customers) from the transfer of the purchased exchanges to PURCHASER and (ii) avoid, to the extent possible, any disruption in service to US Link or its customers.

E. With regard to the purchased exchanges, the parties hereto agree that it would be desirable for PURCHASER to assume Qwest's obligations under its existing Interconnection Agreement with US Link for those exchanges, with certain modifications specified below. The parties recognize that there are certain of Qwest's obligations under the interconnection agreement that PURCHASER will not be able to perform because PURCHASER (i) did not acquire all of the assets and facilities that Qwest uses to fulfill its obligations under that agreement, and (ii) is a smaller entity than Qwest and will not be conducting business in all respects like Qwest.

NOW, THEREFORE, PURCHASER AND US LINK AGREE AS FOLLOWS:

1. Subject to the modifications set forth in Section 3, below, PURCHASER agrees to assume all of Qwest's rights, obligations, liabilities, duties and interests under the Interconnection Agreement in the purchased exchanges, effective upon the closing date as defined in the Asset Purchase Agreement (the "Agreement Closing Date").

2. Except as set forth in paragraph 3 below, US Link consents to PURCHASER'S assumption of Qwest's obligations in the purchased exchanges as described in paragraph 1, above.

3. PURCHASER and US Link each acknowledges and agrees that certain of PURCHASER's obligations and duties in the purchased exchanges under the Qwest/US Link Interconnection Agreement are specifically modified as follows:

a. PURCHASER will not be obligated to provide US Link with electronic gateway access to PURCHASER's operation support systems, nor any electronic interface for performing pre-ordering, ordering, provisioning, billing, repair, or any other operation support system function at closing. PURCHASER will provide the ability for US Link to directly place service orders to

PURCHASER's systems, such that orders "flow through" and re-keying by PURCHASER is not required, within twelve months after the closing. As part of this initiative, PURCHASER will provide the "front end" systems that will allow US Link to place Local Service Requests (LSRs) to PURCHASER over the Internet within ninety (90) days of closing. PURCHASER will need to re-key such orders. PURCHASER commits that the interval for providing services will not be adversely affected due to the lack of a fully mechanized ordering system. Prior to rejecting any order from US Link, PURCHASER will contact US Link to discuss the reason for rejecting the order, and will accept verbal changes/corrections to the order. For a complex order, PURCHASER will assign a single person to coordinate implementation of the order.

b. PURCHASER will work with US Link to develop mechanized billing feeds, including usage data, mechanized order completion notices and firm order confirmations to meet US Link needs. PURCHASER will make available to US Link, within ninety (90) days of closing, a mechanized data file containing all required billing information, including customer usage information, on a customer-specific basis, such that US Link is not required to manually enter the billing information in order to bill customers and validate the bill.

c. PURCHASER will supply a copy of the customer's service record to US Link upon receiving notice from US Link that it has a letter of authorization from a customer. The service record will be provided via facsimile, within eight normal business hours of notification.

d. PURCHASER will provide updated street address guide information to « ».
». This information will be provided in a mechanized data file, on a quarterly basis.

e. PURCHASER will accept fax and telephone orders from US Link for end user premises and central office dispatch orders. Service orders may be made between 7:30 a.m. and 5:30 p.m. Mountain Standard Time on business days. All telephone orders will be followed up with an LSR within 12 business hours. Repair orders may be made seven (7) days a week, twenty-four (24) hours a day. The person answering the service order or repair call shall generally have the ability to schedule the service or repair during the call. In those instances where a facility check is required (e.g., service to a new location or second line) the US Link will provide an LSR requesting the facility check along with the preferred premises visit date and time. Within forty-eight (48) hours of receiving the LSR, PURCHASER will, by facsimile (first ninety (90)) days) and by e-mail thereafter, notify the US Link of the availability of the requested facility and whether the requested service date and time is available. If the requested date and time are not available, US Link, with the customer on the line, may call PURCHASER to schedule the premises visit. The person answering the call on behalf of PURCHASER will have the ability to schedule the visit. Should the premises visit be rescheduled at this time, US Link will submit a new LSR reflecting the new visit date. PURCHASER will perform facility checks and key orders into its ordering provisioning system with "scheduling parity".

f. PURCHASER will provide US Link with standard ordering and repair intervals so US Link can schedule end user premises and dispatch requests with its customers in an efficient manner. The standard intervals are specified in PURCHASER's Local Interconnection Guide. US Link requests will be provided the same level of service as PURCHASER provides to its own customers.

g. PURCHASER will not provide unbundled Local Switching, unbundled Tandem Switching or unbundled Common Transport at closing. PURCHASER is working with other Incumbent Local Exchange Carriers (ILECs) in developing the "UNE-Platform" which rebundles Local Switching, Common Transport and, where appropriate, Tandem Switching. PURCHASER expects to provide the UNE-Platform within ninety (90) days of closing, and commits to provide these UNEs and the UNE-Platform as soon as possible after industry standards are published. PURCHASER will provide local tandem and transit functionality to CLECs for EAS routes served

by its end offices.

h. PURCHASER will not be obligated to provide US Link with Advanced Intelligent Network (AIN) Services on an unbundled basis except in those locations where PURCHASER will be acquiring that functionality from Qwest. PURCHASER does not have an AIN platform and is only acquiring that functionality from Qwest in a few locations. PURCHASER will implement the necessary triggers to ensure Local Number Portability (LNP) to US Link in purchased exchanges where bona fide requests for LNP are or have been provided.

i. PURCHASER will not be obligated to provide US Link with Operator Services or Directory Assistance on an unbundled basis. PURCHASER will be acquiring those services from a third party. PURCHASER will provide the same operator services and directory assistance capabilities to resold customers of US Link as PURCHASER provides to its own retail customers. PURCHASER could act as an intermediary for US Link to obtain unbundled Operator Services and Directory Assistance but would prefer US Link obtain those services directly from a third party provider.

j. PURCHASER will not be obligated to provide US Link with SS7 Services on an unbundled basis. PURCHASER is not acquiring any Signal Transfer Points or Service Control Points/Databases from Qwest. PURCHASER will be acquiring the capabilities required to support the SS7 based services it provides to its end users from a third party. PURCHASER will provide the same SS7 services to resold customers of US Link that PURCHASER provides to its own retail customers. PURCHASER could act as an intermediary for US Link to obtain unbundled SS7 Services but would prefer US Link obtain those services directly from a third party provider.

k. References to the U S WEST/Qwest Local Interconnection Guide will be replaced by references to the Citizens Local Interconnection Guide.

l. PURCHASER will not be obligated to use the specific Qwest operation support systems referenced in the Interconnection Agreement. Instead, after the Agreement Closing Date, PURCHASER will use its own operation support systems, which PURCHASER expects to have generally equivalent functionally, with the exception of the functions specified in preceding paragraph 3.a.

4. Until the Agreement Closing Date, (i) the Interconnection Agreement remains in full force and effect between Qwest and US Link in the purchased exchanges; (ii) PURCHASER shall not have any obligation or liabilities whatsoever to Qwest or US Link under the Interconnection Agreement; and (iii) Qwest and Consolidated Communications, Inc. remain liable to each other for any act (or failure to act) occurring before the Agreement Closing Date that constitutes a breach of the Interconnection Agreement, even if any injury or damage for such breach does not occur or is not discovered until after the Agreement Date. With regard to the 8 exchanges being purchased by PURCHASER, US Link releases Qwest from the Agreement Closing Date forward of any and all of its rights, duties, obligations, liabilities and interests under the Interconnection Agreement relating to those exchanges, except that Consolidated Communications Network, Inc. does not release Qwest from liability for any act (or failure to act) occurring before the Agreement Closing Date that constitutes a breach of the Interconnection Agreement. While PURCHASER will be assuming Qwest's rights, duties, obligations, liabilities and interests under the Interconnection Agreement in the purchased exchanges, effective on the Agreement Closing Date, Qwest will retain the rights, duties, obligation, liabilities and interests under that Interconnection Agreement for any remaining exchanges within the scope of that agreement.
