Bismarck, ND 58505-0480

Dear Mr. Nitschke,

It recently came to my attention that the intrastate/interlata rates that West River Telecommunications has been charging since 1/1/99 were never filed with the ND PSC. These rates were changed in early 2001 due to ETPF rate reductions and credits were given to IXC's going back to 1/1/99.

Please file the attached rates with docket PU-01-084. If you have any questions I can be reached at 701-748-4227.

Thank you.

Sincerely,

Shirley Breimeier
CABS Coordinator
