On March 20, 2001, in Case No. PU-2504-01-125, Qwest filed an application for approval of an Interconnection Agreement negotiated with Telephone Company of Central Florida, Inc. of Lake Mary, FL. This agreement sets forth rates, terms and conditions for interconnection of facilities including access to unbundled network elements, ancillary services and services for resale.

These agreements were filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253. Section 252(e)(4) requires that the Commission must act to approve or reject an agreement adopted by negotiation within ninety (90) days after submission by the parties.

The Commission will receive written comments on these agreements until May 1, 2001.
