MOTION

June 6, 2001

**Sprint Spectrum, L.P./Qwest Corporation
Interconnection Agreement Amendment
Application**

Case No. PU-2517-01-150

I move the Commission adopt the Order Approving Interconnection Agreement Amendment in the application of Qwest Corporation for approval of an interconnection agreement amendment negotiated with Sprint Spectrum, L.P., Case No. PU-2517-01-150.

JRL/sdh

**STATE OF NORTH DAKOTA
PUBLIC SERVICE COMMISSION**

**Sprint Spectrum, L.P./Qwest Corporation
Interconnection Agreement Amendment
Application**

Case No. PU-2517-01-150

ORDER APPROVING INTERCONNECTION AGREEMENT AMENDMENT

June 6, 2001

On April 2, 2001, Qwest filed an application for approval of Amendment No. 1 negotiated to its interconnection agreement with Sprint Spectrum, L.P. of Kansas City, MO. The amendment would incorporate terms and conditions into the original Type 2 Wireless interconnection agreement for Qwest's Single Point of Presence service offering as an alternative interconnection option.

The agreement was filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253.

On April 11, 2001, the Commission issued a Notice of Opportunity to File Written Comments which provided that the Commission would receive written comments on the agreement until May 15, 2001. No comments have been received.

The Commission has reviewed the agreement and does not find that it discriminates against a telecommunications carrier that was not a party to the agreement. The Commission finds that implementation of the agreement is not inconsistent with the public interest, convenience and necessity.

Order

The Commission orders:

1. The interconnection agreement Amendment No. 1 negotiated between Qwest and Sprint Spectrum, L.P. filed with the Commission on April 2, 2001, is APPROVED.
2. The Commission retains continuing jurisdiction over the agreement at all times.

3. Notice of any changes to the agreement must be filed promptly with the Commission.

4. The agreement must not be assigned, assumed or otherwise transferred without the approval of the Commission.

Subject: Notice of Opportunity to File Written Comments

Colleen,

Please have the attached Notice of Opportunity to File Written Comments published as a legal publication in the next issue of the ten North Dakota daily newspapers, and run it as a "News Item Only" article as well.

Send the bill to the Public Service Commission along with a tear sheet for billing purposes.

If you have any questions, call me at 328-4076.

Thank you.

NOTICE OF OPPORTUNITY TO FILE WRITTEN COMMENTS

April 11, 2001

On March 22, 2001, in Case No. PU-2510-01-136, Qwest Corporation (Qwest) filed an application for approval of a service resale agreement negotiated with Digital Telecommunications, Inc. (Digital) of Winona, MN. This agreement sets forth rates, terms and conditions under which Qwest agrees to provide services for resale.

On April 2, 2001, in Case No. PU-2516-01-149, Qwest filed an application for approval of an Amendment for Deaveraged Loop Rate negotiated to its interconnection agreement with Skyland Technologies, Inc. of Helena, MT. This amendment reflects the deaveraged unbundled two-wire loop rates in accordance with the Commission's Order in Case No. PU-314-97-12.

Also on April 2, 2001, Qwest filed applications for approval of: 1) Amendment No. 1 negotiated to its interconnection agreement with Sprint Spectrum, L.P. of Kansas City, MO (Case No. PU-2517-01-150); 2) Amendment negotiated to its interconnection agreement with TW Wireless, L.L.C. of Butte, MT (Case No. PU-2522-01-155); and 3) Amendment No. 1 negotiated to its interconnection agreement with Sprint Communications Company, L.P. of Overland Park, KS (Case No. PU-2271-01-15).

These amendments would incorporate terms and conditions into the original Type 2 Wireless interconnection agreements for Qwest's Single Point of Presence service offering as an alternative interconnection option.

Also on April 2, 2001, in Case No. PU-2443-01-157, Qwest filed an application for approval of Amendment No. 2 negotiated to its interconnection agreement with NewPath Holdings, Inc. of Des Moines, IA. This amendment would replace the collocation section of the original agreement in its entirety.

These agreements were filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253. Section 252(e)(4) requires that the Commission must act to approve or reject an agreement adopted by negotiation within ninety (90) days after submission by the parties.

The Commission will receive written comments on these agreements until May 15, 2001.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials please notify Jon Mielke, Executive Secretary.

Re: Amendment to Type 2 Wireless Interconnection Agreement Between Qwest Corporation and Sprint Spectrum, L.P.

Dear Mr. Mielke:

By letter dated March 30, 2001, we filed an amendment to the Type 2 Wireless Interconnection Agreement between Sprint Spectrum, L.P. and Qwest Corporation f/k/a U S WEST Communications, Inc. The transmittal letter provided two contacts for Sprint Spectrum. The second of these contacts should be changed from Sprint PCS, Director -- National Network Engineering, to Sprint PCS, Attention: Shannon Moore. The address for this contact remains the same at 11880 College Boulevard, Mail Stop: KSOPAM0101, Overland Park, KS 66210-2035.

Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Kuntz", written over a horizontal line.

Re: Amendment to Type 2 Wireless Interconnection Agreement Between Qwest Corporation and Sprint Spectrum, L.P.

Dear Mr. Mielke:

Enclosed for filing are the original and seven copies of the First Amendment to the Type 2 Wireless Interconnection Agreement between Sprint Spectrum, L.P. and Qwest Corporation f/k/a U S WEST Communications, Inc. The document amends an Interconnection Agreement between Sprint Spectrum, L.P. and Qwest Corporation that was approved by the Commission on December 20, 2000 in Case No. PU-2420-00-560. Contact information for Sprint Spectrum, L.P. should be sent to Sprint PCS, Attn: Legal Regulatory Department, 4900 Main 11th Floor, Mail Stop: MOKCMM1101, Kansas City, MO 64112 and to Sprint PCS, Director – National Network Engineering, 11880 College Blvd., Mail Stop: KSOPAM0101 Overland Park, KS 66210-2035.

Also enclosed is an extra copy of this letter. Please date stamp the extra copy and return it to me in the enclosed postage-paid envelope.

Please contact me if you have any questions regarding this filing.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel S. Kuntz", written over a horizontal line.

**FIRST AMENDMENT
TO
TYPE 2 WIRELESS INTERCONNECTION AGREEMENT
BETWEEN
QWEST CORPORATION
f/k/a U S WEST COMMUNICATIONS, INC.
AND
SPRINT SPECTRUM, L.P.
FOR THE STATE OF NORTH DAKOTA**

Pursuant to this First Amendment (the "Amendment"), Sprint Spectrum L.P. as agent and General Partner for Wireless Co. L.P., d/b/a Sprint PCS ("Sprint PCS") and Qwest Corporation f/k/a U S West Communications, Inc. ("Qwest"), hereinafter referred to collectively as the "Parties", hereby agree to amend the Type 2 Wireless Interconnection Agreement (the "Agreement") for the state of North Dakota.

WHEREAS, the Parties are entering into this Amendment to incorporate into the Agreement the terms and conditions associated with Qwest's Single Point of Presence ("SPOP") service offering;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Sprint PCS and Qwest hereby covenant and agree as follows:

1. SPOP TERMS AND CONDITIONS

1.1. If ordered by Sprint PCS, pursuant to this amendment, Qwest will provide Sprint PCS, as an alternate interconnection option, the SPOP.

1.2. SPOP will allow Sprint PCS to exchange MTA/EAS/Local traffic at selected Qwest Access Tandem switches in addition to the toll and jointly provided switched access that has traditionally been exchanged at Qwest Access Tandems. Sprint PCS will be able to utilize Qwest's behind the tandem infrastructure to terminate local traffic to and receive local traffic from specific end offices from which Sprint PCS wishes to do business. With the SPOP, Sprint PCS can now have a minimum of one SPOP per LATA. In addition to points of presence that may be established under the Agreement, the SPOP is defined as a Sprint PCS physical point of presence.

1.3. SPOP in the LATA includes an Entrance Facility (EF)/Expanded Interconnect Channel Termination (EICT) and Direct Trunked Transport (DTT) options at both a DS1 and DS3 capacity.

1.4. Where there is a Qwest Local Tandem serving an end office that Sprint PCS intends to terminate traffic, the following conditions apply:

1.4.1. All local trunking must be ordered to the Qwest Local Tandem for the Qwest end offices served by that Qwest Local Tandem.

1.4.2. Connections to a Qwest Local Tandem may be two-way or one-way trunks as specified in the appropriate sections of the Agreement. These trunks will only carry MTA/EAS/Local traffic as defined in the Agreement.

1.4.3. A separate trunk group to the Qwest access tandem is required for the exchange of Exchange Access (IntraLATA Toll Non-IXC) traffic and Jointly Provided Switched Access (InterLATA and IntraLATA IXC) traffic.

1.4.4. Where there is no Qwest Local Tandem serving a Qwest end office, Sprint PCS may choose from one of the following options:

1.4.4.1. Sprint PCS may order a two-way trunk group to the Qwest access tandem for traffic terminating to, originating from, or passing through the Qwest network that combines MTA/EAS/Local traffic, Exchange Access (IntraLATA Toll Non-IXC) traffic and Jointly Provided Switched Access (InterLATA and IntraLATA IXC) traffic.

1.4.4.2. Sprint PCS may order a two-way trunk group to the Qwest access tandem for Sprint PCS Jointly Provided Switched Access (InterLATA and IntraLATA IXC) traffic terminating to and originating from the IXC Feature Group (FG) A/B/D network through the Qwest network and an additional two-way trunk group to the Qwest access tandem for the combined MTA/EAS/Local traffic and Exchange Access (IntraLATA Toll Non-IXC) traffic terminating to, originating from, and transiting the Qwest network.

1.4.4.2.1. If Sprint PCS utilizes two way trunking, Qwest will send all MTA/EAS/Local traffic, Exchange Access (IntraLATA Toll Non-IXC) and Jointly Provided Switched Access (InterLATA and IntraLATA IXC) traffic delivered to the Qwest access tandem on the same combined trunk.

1.4.4.3. The Reciprocal Compensation Credit for two-way dedicated facilities charges contained in the Agreement shall also apply to two-way facilities ordered under this Amendment.

1.4.4.4. Sprint PCS may utilize a one-way trunk group to the Qwest access tandem for Sprint PCS originated traffic destined for termination to or transiting through the Qwest network that combines MTA/EAS/Local traffic, Exchange Access (Intra LATA Toll Non-IXC) and Jointly Provided Switched Access (InterLATA and IntraLATA IXC) traffic.

1.4.4.5. Sprint PCS may utilize a one-way trunk group to the Qwest access tandem for Jointly Provided Switched Access (InterLATA and IntraLATA IXC) traffic terminating to the IXC FG A/B/D network through the Qwest network, and an additional one-way trunk group to the Qwest access tandem for the combined MTA/EAS/Local, Exchange Access (IntraLATA Toll Non-IXC) traffic terminating to, originating from, and transiting the Qwest network.

1.4.4.5.1. If Sprint PCS orders either of the above one-way trunk options, Qwest will return traffic originated by its customers via one combined MTA/EAS/Local and Exchange Access (IntraLATA Toll Non-IXC) trunk group.

1.5. The Parties acknowledge that the SPOP product requires SS7 functionality.

1.6. If there is more than one Qwest access tandem within the LATA boundary, Sprint PCS must order trunking to each Qwest access tandem that serves their end-user customers' traffic to avoid call blocking. Sprint PCS must trunk to each Qwest access tandem even if there is not currently a Sprint PCS customer base at each access tandem. Sprint PCS only needs to trunk to each Local Tandem where they have a customer base. The 512 CCS rule and other direct trunking requirements contained in the Agreement will apply for direct trunking to Qwest end offices.

1.7. Where Sprint PCS requests trunking for SPOP in a LATA that exceeds fifty (50) miles, Qwest reserves the right to request negotiation of a Mid-Span meet POI.

1.8. SPOP in the LATA cannot be used in conjunction with existing Sprint PCS trunking that connects to Qwest's end office switches with tandem functionality.

1.9. SPOP in the LATA is not available for the sole purpose of delivering ISP bound traffic.

1.10. The SPOP facility cannot be used to access unbundled network elements.

1.11. SPOP in a LATA will be provided only where facilities are available. Qwest is not obligated to construct new facilities to provide SPOP in a LATA. Sprint PCS may request Special Construction in those areas where facilities are not available subject to the terms and conditions outlined in the Agreement.

1.12. SPOP in a LATA will be ordered based upon the standard ordering process for the type of facility chosen. See the Qwest Interconnection and Resale Resource Guide for further ordering information.

2.0 EFFECTIVE DATE

This Amendment shall be deemed effective upon approval by the Commission; however, the Parties agree to implement the provisions of this Amendment upon execution. The Parties also agree that additional paper work and system updates maybe necessary to implement this service after the effective date of the Amendment. The Parties will work together to assure that these requirements are met at which time actual ordering will comply with the provisions of Section 1.12 above.

3.0 MISCELLANEOUS

3.1. The Agreement, as amended hereby, shall remain in full force and effect. On and from the Amendment effective date, reference to the Agreement in any notices, requests, orders, certificates and other documents shall be deemed to include this Amendment, whether or not reference is made to this Amendment, unless the context shall otherwise specifically note.

3.2. This Amendment shall be deemed to be a contract made under and governed by the Act and the domestic laws of the State of North Dakota, without reference to conflict of law provisions.

3.3. This Amendment may be executed in counterparts, each of which shall be deemed an original but all of which when taken together shall constitute a single agreement.

3.4. This Amendment constitutes the entire Amendment between the Parties and supersedes all previous proposals, both verbal and written.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their duly authorized representatives as of the Amendment Effective Date.
