Interconnection Agreement Amendment  
Application** **Case No. PU-2057-02-10**

**ORDER**

**March 13, 2002**

On December 31, 2001, Qwest Corporation (Qwest) filed an application for approval of an interconnection agreement negotiated with VarTec Telecom, Inc. of Dallas, Texas (Case No. PU-2632-01-663). This agreement sets forth rates terms and conditions for interconnection of facilities, unbundled network elements, ancillary services and services for resale.

On December 28, 2001, Qwest filed an application for approval of amendments negotiated to interconnection agreements with Cellco Partnership d/b/a Verizon Wireless of Walnut Creek, California (Case No. PU-2634-01-665). These amendments

**8** **PU-2057-02-10** Pages: 3

Order approving interconnection  
agreements  
by Public Service Commission

03/13/2002

CC: Comm Legal Ilona Jerry .

set forth inter-carrier compensation for ISP-bound traffic to reflect the FCC Report and Order in CC Docket 99-68.

On January 3, 2002, Qwest filed applications for approval of amendments negotiated to interconnection agreement with TW Wireless, L.L.C. of Denver, Colorado (Case No. PU-2522-02-3) and Sprint Spectrum, L.P. of Overland Park, Kansas (Case No. PU-2517-02-4). These amendments add provisions to the original agreements relating to Qwest's Single Point of Presence service offering.

On January 3, 2002, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with Preferred Carrier Services, Inc. of Addison Texas (Case No. PU-2482-02-5). This amendment adds unbundled network element combinations to the original agreement.

Also on January 3, 2002, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with Integra Telecom of North Dakota, Inc. of Beaverton, Oregon (Case No. PU-2463-02-6). This amendment adds rates, terms and conditions to the original agreement for Enhanced Extended Loop.

On January 7, 2002, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with McLeodUSA Telecommunications Services, Inc. of Cedar Rapids, Iowa (Case No. PU-2057-02-10). This amendment adds rates, terms and conditions to the original agreement for CLEC-to-CLEC Cross-Connections.

These agreements were filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253.

On January 16, 2002, the Commission issued a Notice of Opportunity to File Written Comments, which provided that the Commission would receive comments on the agreements until February 19, 2002. No comments have been received.

The Commission has reviewed the agreements and does not find them discriminatory against a telecommunications carrier that was not a party to the agreements. The Commission finds that implementation of the agreements is not inconsistent with the public interest, convenience and necessity.

**Order**

The Commission orders:

1. The captioned interconnection agreements are APPROVED.
2. The Commission retains continuing jurisdiction over the agreements at all times.
3. Notice of any changes to the agreements must be filed promptly with the Commission.
4. The agreements must not be assigned, assumed or otherwise transferred without the approval of the Commission.

This invoice is due and payable upon receipt. Unpaid items over 30 days from invoice date are subject to a finance charge. The finance charge is computed by a periodic rate of 1 3/4 percent per month (or a minimum charge of 50 cents for balances of under \$50), which is an annual percentage rate of 21 percent. Total unpaid balance may be paid at any time.

Please pay from this invoice — No statement will be sent. Return duplicate with remittance to North Dakota Advertising Service, Inc.

**January 16, 2002**

On December 31, 2001, in Case No. PU-2632-01-663, Qwest Corporation (Qwest) filed an application for approval of an interconnection agreement negotiated with VarTec Telecom, Inc. of Dallas, Texas. This amendment sets forth rates terms and conditions for interconnection of facilities, unbundled network elements, ancillary services and services for resale.

On December 28, 2001, in Case No. PU-2634-01-665, Qwest filed an application for approval of amendments negotiated to interconnection agreements with Cellco Partnership d/b/a Verizon Wireless of Walnut Creek, California. Theses amendments set forth intercarrier compensation for ISP-bound traffic to reflect the FCC Report and Order in CC Docket 99-68.

Notice of Opportunity to File Written  
Comments  
by Public Service Commission

01/16/2002

CC: Comm Legal Ilona Jerry .

On January 3, 2002, Qwest filed applications for approval of amendments negotiated to interconnection agreement with TW Wireless, L.L.C. of Denver, Colorado (Case No. PU-2522-02-3) and Sprint Spectrum, L.P. of Overland Park, Kansas (Case No. PU-2517-02-4). These amendments add provisions to the original agreements relating to Qwest's Single Point of Presence service offering.

On January 3, 2002, in Case No. PU-2482-02-5, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with Preferred Carrier Services, Inc. of Addison Texas. This amendment adds unbundled network element combinations to the original agreement.

Also on January 3, 2002, in Case No. PU-2463-02-6, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with Integra Telecom of North Dakota, Inc. of Beaverton, Oregon. This amendment adds rates, terms and conditions to the original agreement for Enhanced Extended Loop.

On January 7, 2002, in Case No. PU-2057-02-10, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with McLeodUSA Telecommunications Services, Inc. of Cedar Rapids, Iowa. This amendment adds rates, terms and conditions to the original agreement for CLEC-to-CLEC Cross-Connections.

These agreements were filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253. Section 252(e)(4) requires that the Commission must act to approve or reject an agreement adopted by negotiation within ninety (90) days after submission by the parties.

**The Commission will receive written comments on these agreements until February 19, 2002.**

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials please notify Jon Mielke, Executive Secretary.

**Re: Amendment to Interconnection Agreement Between Qwest Corporation and McLeod USA Telecommunications Services, Inc.**

Dear Mr. Mielke:

Enclosed for filing are the original and seven copies of an Amendment to the Interconnection Agreement between McLeod USA Telecommunications Services, Inc. and Qwest Corporation. The document amends an Interconnection Agreement approved by the Commission on May 26, 1999 in Docket No. PU-2057-99-109. The amendment adds terms and conditions for CLEC to CLEC cross connections. Contact information for McLeod USA, Inc. should be sent to Attn: Lauraine Harding, Senior Manager Interconnection Negotiations, 6400 C Street SW, Box 3177, Cedar Rapids, IA 52406-3177. Ms. Harding's telephone number is 319-790-6480.

Also enclosed is an extra copy of this letter. Please date stamp the extra copy and return it to me in the enclosed postage-paid envelope.

Please contact me if you have any questions regarding this filing.

Sincerely,

Daniel S. Kuntz

Interconnection Agreement Amendment  
application  
by McLeod USA Telecommunications Services Inc./Q

01/07/2002

CC: Comm Legal Iliona Jerry .

**Amendment for: CLEC-to-CLEC Cross-Connections  
To the Interconnection Agreement  
between  
McLeodUSA Telecommunications Services, Inc.  
and  
Qwest Corporation  
North Dakota**

This Amendment ("Amendment") is to the Interconnection Agreement between McLeodUSA Telecommunications Services, Inc. ("CLEC"), an Iowa corporation, and Qwest Corporation (f/k/a U S WEST Communications, Inc.) ("Qwest"), a Colorado corporation.

**RECITALS**

WHEREAS, the Parties entered into an Interconnection Agreement, for service in the State of North Dakota, that was approved by the North Dakota Public Service Commission ("Commission") on May 26, 1999, as referenced in Docket/Order No. PU-2057-99-109 ("Agreement"); and

WHEREAS, the Parties wish to amend the Agreement by adding the terms, conditions and charges contained herein.

**AGREEMENT**

NOW THEREFORE, in consideration of the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

**1. Amendment Terms**

This Amendment is made in order to add, to the Agreement, the terms, conditions and charges for CLEC-to-CLEC Cross-Connections, as set forth in Attachment 1 and Exhibit A, attached hereto and incorporated herein.

**2. Effective Date**

This Amendment shall be deemed effective upon Commission approval; however, the Parties may agree to implement the provisions of this Amendment upon execution. To accommodate this need, CLEC must generate, if necessary, an updated Customer Questionnaire. In addition to the Questionnaire, all system updates will need to be completed by Qwest. CLEC will be notified when all system changes have been made. Actual order processing may begin once these requirements have been met.

**3. Further Amendments**

Except as modified herein, the provisions of the Agreement shall remain in full force and effect. Neither the Agreement nor this Amendment may be further amended or altered except by written instrument executed by an authorized representative of both Parties. This Amendment shall constitute the entire Agreement between the

Parties, and supercedes all previous Agreements and Amendments entered into between the Parties with respect to the subject matter of this Amendment.

The Parties intending to be legally bound have executed this Amendment as of the dates set forth below, in multiple counterparts, each of which is deemed an original, but all of which shall constitute one and the same instrument.

## ATTACHMENT 1

### 1.0 CLEC-to-CLEC Cross-Connections

1.1 Qwest shall design and engineer the most efficient route and cable racking for the connection between CLEC's equipment in its collocated spaces to the collocated equipment of another CLEC located in the same Qwest Premises; or to CLEC's own non-contiguous Collocation space. The most efficient route generally will be over existing cable racking, to the extent technically feasible, but to determine the most efficient route and cable racking, Qwest shall consider all information provided by CLEC in the Application form, including but not limited to, distance limitations of the facilities CLEC intends to use for the connection. If the length of the most efficient route exceeds any such distance limitations, Qwest will notify CLEC of available options. When CLEC notifies Qwest of CLECs preferred option, Qwest will proceed with the route design and quote preparation. If CLEC elects to have Qwest provide the channel regeneration, the quote will include the applicable charges. CLEC shall have access to the designated route and construct such connection, using copper, coax, optical fiber facilities, or any other technically feasible method utilizing a vendor of CLEC's own choosing. CLEC may place its own fiber, coax, copper cable, or any other technically feasible connecting facilities outside of the actual physical Collocation space, subject only to reasonable NEBS Level 1 safety limitations using the route specified by Qwest. CLEC may perform such Interconnections at the ICDF, if desired. CLEC may interconnect its network as described herein to any other collocating carrier, to any collocated affiliate of CLEC, to any end user's Premises, and may interconnect CLEC's own collocated space and/or equipment (e.g., CLEC's Physical Collocation and CLEC's Virtual Collocation on the same Premises). CLEC-to-CLEC Connections shall be ordered either as part of an Application for Collocation or separately from a Collocation Application in accordance with the Ordering Section 1.4 below. CLEC-to-CLEC Cross-Connections at an ICDF are available, as follows:

#### 1.1.1 CLEC-to-CLEC Cross-Connections at the ICDF.

1.1.1.1 CLEC-to-CLEC Cross-Connection (COCC-X) is defined as CLEC's capability to order a cross-connection from its Collocation in a Qwest Premises to its non-adjacent Collocation space or to another CLEC's Collocation within the same Qwest Premises at the ICDF.

1.1.1.2 Qwest will provide the capability to combine these separate Collocations through an Interconnection Distribution Frame (ICDF). This is accomplished by the use of CLECs' Connecting Facility Assignment (CFA) terminations residing at an ICDF. Also, ICDF cross-connections must terminate on the same ICDF at the same service rate level.

1.1.1.3 If CLEC has its own Dedicated ICDF, the CLEC is responsible for ordering tie cables to the common ICDF frame/bay where the other CLEC resides. These tie cables would be ordered through the existing Collocation Application form.

1.1.1.4 CLEC is responsible for the end-to-end service design that uses ICDF cross-connection to ensure that the resulting service meets its

customer's needs. This is accomplished by CLEC using the Design Layout Record (DLR) for the service connection. Depending on the distance parameters of the combination, regeneration may be required.

1.1.1.5 If two CLECs are involved, one CLEC acts as the "ordering" CLEC. The ordering CLEC identifies both connection CFA's on the ASR. CLEC requests service order activity by using the standard ASR forms. These forms are agreed upon nationally at the OBF (Ordering and Billing Forum). Refer to the DMP (Document Management Platform)/Carrier/Carrier Centers/"A"/"ASOG" for copies of all forms including definitions of the fields. CLEC is responsible for obtaining these forms. Qwest must not reproduce copies for its customers, as this is a copyright violation. The standard industry forms for CLEC-to-CLEC Cross-Connections (COCC-X) are: Access Service Request (ASR), Special Access (SPE) and Additional Circuit Information (ACI).

1.2 CLEC shall submit a Collocation Application to order Collocation at a particular Qwest Premises. A Collocation Application shall be considered complete, if it contains:

- a) Identification of the Qwest Premises;
- b) Type of Collocation (e.g., Caged Physical, Cageless Physical, Shared, Virtual, etc.);
- c) Type and Quantity of Terminations;
- d) Billing Contact.

1.2.1 Parties will work cooperatively to ensure the accuracy of the Collocation Application. If Qwest determines that the Application is not complete, Qwest shall notify CLEC of any deficiencies within ten (10) calendar days after receipt of the Application. Qwest shall provide sufficient detail so that CLEC has a reasonable opportunity to cure each deficiency. To retain its place in the Collocation queue for the requested Premises, CLEC must cure any deficiencies in its Application and resubmit the Application within ten calendar days after being advised of the deficiencies.

1.3 Acceptance – After receipt of a Collocation Quote Form from Qwest, CLEC shall formally accept the quote in order for Qwest to continue the processing of the Collocation Application. A Collocation Acceptance shall be considered complete, if it contains:

- a) Signed Notification of Acceptance; and
- b) Payment of fifty percent (50%) of quoted charges.

1.4 Ordering – CLEC to CLEC Connections

1.4.1 Application -- Upon receipt of the applicable portions of a complete Collocation Application as described in Section 1.2 above. Qwest will perform a feasibility study to determine if adequate cable racking can be found for the

placement of CLEC's copper, coax, or fiber optic cable, or any other technically feasible method used to interconnect CLEC's collocated equipment that is in separate locations in the same Qwest Premises, or to another CLEC's equipment in the same Premises. The feasibility study will be provided within ten (10) calendar days from date of receipt of a complete Application

1.4.1.1 If Qwest determines that the Application is not complete, Qwest shall notify CLEC of any deficiencies within ten (10) calendar days of the Application. Qwest shall provide sufficient detail so that CLEC has a reasonable opportunity to cure each deficiency. To retain its place in the Collocation queue for the requested Premises, CLEC must cure any deficiencies in its Application and resubmit the Application within ten (10) calendar days after being advised of the deficiencies.

1.4.2 Quotation -- If existing cable racking is available, Qwest will provide CLEC with a quote and the specific cable rack route to CLEC with the feasibility study. If additional cable racking is required to accommodate CLEC's request, Qwest shall provide a feasibility and quote to CLEC no later than ten (10) calendar days of receipt of Collocation Application. CLEC-to-CLEC Connection quotes will be honored for thirty (30) calendar days from the date the quote is provided. During this period, the space is reserved pending CLEC's Acceptance of the quoted charges.

1.4.3 Acceptance -- There are two forms of Acceptance for CLEC-to-CLEC Connections:

1.4.3.1 CLEC-to-CLEC Connections with existing cable rack. -- CLEC must submit payment of one hundred percent (100%) of the quoted nonrecurring charges with its Acceptance. Upon receipt of a complete Collocation Acceptance, CLEC may begin placement of its copper, coax, or fiber cables along the Qwest designated cable rack route. Recurring charges will begin with CLEC Acceptance.

1.4.3.2 CLEC-to-CLEC Connections using new cable rack. -- Upon receipt of a complete Acceptance from CLEC, as described in Section 1.3 above, Qwest will begin construction of the new cable rack.

1.4.4 Interval -- Pursuant to Section 1.4.3.2 above, the construction interval for CLEC-to-CLEC Connections requiring the construction of new cable rack by Qwest shall be within sixty (60) calendar days of the receipt of the complete Collocation Acceptance. If CLEC submits its Acceptance more than thirty (30) calendar days after receipt of the Qwest quotation, the Application shall be resubmitted by CLEC.
