ORDER

May 8, 2002

On February 19, 2002, Qwest Corporation (Qwest) filed an application for approval of an amendment negotiated to its interconnection agreement with New Edge Network, Inc. of Vancouver, Washington, Case No. PU-2442-02-66. This amendment replaces in their entirety, the rates terms and conditions for unbundled loops and unbundled dedicated interoffice transport.

On March 4, 2002, Qwest filed an application for approval of an interconnection agreement negotiated with Premiere Network Services, Inc. of DeSoto, Texas, Case No. PU-2658-02-92. This agreement adopts Qwest's third revised Statement of Generally Available Terms and Conditions.

On March 4, 2002, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with U.S. Link, Inc. of Pequot Lakes, Minnesota, Case No. PU-2630-02-93. This amendment sets forth rates for unbundled network element combinations.

On March 4, 2002, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with WWC Holding Co., Inc. of Bellevue, Washington, Case No. PU-2659-02-94. This amendment sets forth compensation for ISP-bound traffic in accordance with the FCC order in CC Docket 99-68.

On March 6, 2002, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with Integra Telecom of North Dakota, Inc. of Beaverton, Oregon. This amendment sets forth rates, terms and conditions for collocation cancellation and decommission.

These agreements were filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253.

On March 13, 2002, the Commission issued a Notice of Opportunity to File Written Comments, which provided that the Commission would receive comments on the agreements until April 19, 2002. No comments have been received.

The Commission has reviewed the agreements and does not find them discriminatory against a telecommunications carrier that was not a party to the agreements. The Commission finds that implementation of the agreements is not inconsistent with the public interest, convenience and necessity.

Order

The Commission orders:

1. The captioned interconnection agreements are APPROVED.
2. The Commission retains continuing jurisdiction over the agreements at all times.
3. Notice of any changes to the agreements must be filed promptly with the Commission.
4. The agreements must not be assigned, assumed or otherwise transferred without the approval of the Commission.

CC: Comm Legal Ilona Jerry

On March 6, 2002, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with Integra Telecom of North Dakota, Inc. of Beaverton, Oregon. This amendment sets forth rates, terms and conditions for collocation cancellation and decommission.

These agreements were filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253. Section 252(e)(4) requires that the Commission must act to approve or reject an agreement adopted by negotiation within ninety (90) days after submission by the parties.

The Commission will receive written comments on this agreement until April 17, 2002.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. **Amendment to the Interconnection Agreement
Between
U. S. Link, Inc.
and
Qwest Corporation
[Addition of Unbundled Network Elements Combinations Rates]
For the State of North Dakota**

This Amendment ("Amendment") is made and entered into by and between U.S. Link, Inc. ("CLEC") and Qwest Corporation ("Qwest").

RECITALS

WHEREAS, CLEC and Qwest entered into an Interconnection Agreement ("Agreement") for service in the state of North Dakota which was approved by the North Dakota Public Service Commission ("Commission") on January 14, 1998; and

WHEREAS, CLEC and Qwest entered into an Amendment to add the terms and conditions for Unbundled Networks Elements Combinations which was approved by the Commission on January 10, 2001; and

WHEREAS, CLEC and Qwest desire to amend the Agreement by adding rates for Unbundled Networks Elements Combinations.

AGREEMENT

NOW THEREFORE, in consideration of the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Amendment Terms

This Amendment is made in order to add the rates associated with ordering Unbundled Network Elements Combinations as set forth in Exhibit A attached hereto and incorporated herein.

2. Effective Date

This Amendment shall be deemed effective upon Commission approval; however, the Parties may agree to implement the provisions of this Amendment upon execution. To accommodate this need, CLEC must generate, if necessary, an updated Customer Questionnaire. In addition to the Customer Questionnaire, all system updates will need to be completed by Qwest. CLEC will be notified when all system changes have been made. Actual order processing may begin once these requirements have been met.

3. Further Amendments

Except as modified herein, the provisions of the Agreement shall remain in full force and effect. Neither the Agreement nor this Amendment may be further amended or altered except by written instrument executed by an authorized representative of both Parties. This Amendment shall constitute the entire Agreement between the Parties, and supersedes all previous Agreements and Amendments entered into between the Parties with respect to the subject matter of this Amendment.

The Parties intending to be legally bound have executed this Amendment as of the dates set forth below, in multiple counterparts, each of which is deemed an original, but all of which shall constitute one and the same instrument.
