ORDER

June 5, 2002

On March 25, 2002, Qwest Corporation (Qwest) filed an application for approval of an amendment negotiated to its interconnection agreement with Sprint Communications Company, L.P. of Overland Park, Kansas, Case No. PU-2057-02-123. This amendment sets forth rates terms and conditions for collocation cancellation and decommission.

On March 25, 2002, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with KMC Telecom V, Inc. of Lawrenceville, Georgia, Case No. PU-2676-02-128. This agreement adopts Qwest's third revised Statement of Generally Available Terms and Conditions for interconnection of facilities, unbundled network elements, ancillary services and services for resale.

On April 4, 2002, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with Rural Cellular Corporation of Alexandria, Minnesota, Case No. PU-2617-02-148. This amendment adds terms and conditions to the original agreement for Single Point of Presence in the LATA.

These agreements were filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253.

On April 10, 2002, the Commission issued a Notice of Opportunity to File Written Comments, which provided that the Commission would receive comments on the agreements until May 14, 2002. No comments have been received.

The Commission has reviewed the agreements and does not find them discriminatory against a telecommunications carrier that was not a party to the agreements. The Commission finds that implementation of the agreements is not inconsistent with the public interest, convenience and necessity.

Order

The Commission orders:

1. The captioned interconnection agreements are APPROVED.
2. The Commission retains continuing jurisdiction over the agreements at all times.
3. Notice of any changes to the agreements must be filed promptly with the Commission.
4. The agreements must not be assigned, assumed or otherwise transferred without the approval of the Commission.

NOTICE OF OPPORTUNITY TO FILE WRITTEN COMMENTS

April 10, 2002

On March 25, 2002, Qwest Corporation (Qwest) filed an application for approval of an amendment negotiated to its interconnection agreement with Sprint Communications Company, L.P. of Overland Park, Kansas, Case No. PU-2057-02-123. This amendment sets forth rates terms and conditions for collocation cancellation and decommission.

On March 25, 2002, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with KMC Telecom V, Inc. of Lawrenceville, Georgia, Case No. PU-2676-02-128. This agreement adopts Qwest's third revised Statement of Generally Available Terms and Conditions for interconnection of facilities, unbundled network elements, ancillary services and services for resale.

On April 4, 2002, Qwest filed an application for approval of an amendment negotiated to its interconnection agreement with Rural Cellular Corporation of Alexandria, Minnesota, Case No. PU-2617-02-148. This amendment adds terms and conditions to the original agreement for Single Point of Presence in the LATA.

These agreements were filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253. Section 252(e)(4) requires that the Commission must act to approve or reject an agreement adopted by negotiation within ninety (90) days after submission by the parties.

The Commission will receive written comments on these agreements until May 14, 2002.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. Sprint shall submit the Advice Adoption Letter to the Commission for its approval. Sprint shall also provide the Advice Adoption Letter to Qwest pursuant to the notice provisions in the Agreement and may begin ordering the new product pursuant to the terms of the Agreement as amended by such Advice Adoption Letter.

1.1.2 If Sprint wishes to negotiate an amendment with different terms and conditions than defined by Qwest for such new product, Sprint agrees to abide by those terms and conditions on an interim basis by executing the Interim Advice Adoption Letter (the form of which is attached hereto as Exhibit B) based upon the terms and conditions available on Qwest's wholesale web site that Qwest has identified as pertaining to the new product. The Interim Advice Adoption Letter will terminate when the final amendment is approved. The rates, and to the extent practicable, other terms and conditions contained in the final amendment will relate back to the date the Interim Advice Adoption Letter was executed.
