Subject: Update - Public Service Announcements for MDU gas rate case

Commissioner Reinbold has an appointment with KFYZ to produce 6 audio recordings on Thursday morning at a cost of \$25 each. The recordings will be the same except for location information. We will need duplicates of each recording at \$3 each.

| <u>Location</u> | <u># of stations</u> |
|-----------------|----------------------|
| Bismarck | 8 |
| Devils Lake | 2 |
| Dickinson | 2 |
| Jamestown | 2 |
| Minot | 3 |
| Williston | 2 |
| Total | 20 dubs |

We will need to mail the duplicates ourselves to each station. The cover letter should request the recordings be run as a public service announcement. The stations at each location are:
