Ref: Election of a Federal High-Cost Universal Service Support Disaggregation Plan pursuant to the Federal Communication Commission's (FCC) Rules under Section 54.315, "Disaggregation and targeting of support by rural incumbent local exchange carriers".

Ms. Flannery,

In conformance with Section 54.315 of the FCC rules above, this filing designates the Company's election for the Path of Disaggregation for the following rural incumbent local exchange companies operating in the State of North Dakota.

Path 1: No Disaggregation of Federal USF Support

Citizens Telecommunications Company of North Dakota, Inc. 381131

For the Study Area listed above, we have enclosed an affidavit titled "Certification of Disaggregation Plan" which provides a statement declaring the selected path for disaggregation the Company(s) have selected, the name and address of the individual(s) to be contacted concerning the plan being filed, the Study Area Code (SAC) assigned under the Federal Universal Service Fund (USF) program, and the signature of an authorized Corporate Officer.

Complete copies of this filing are also being sent to the Universal Service Administrative Company (USAC) in accordance with the FCC rules.

Should you have any questions on the information included in this filing, please contact myself or the individuals listed on the enclosed "Certification of Disaggregation Plan" document.
