ORDER

July 2, 2003

On May 5, 2003, Qwest Corporation (Qwest) filed an application for approval of an interconnection agreement negotiated with WTC Competitive Services, Inc. of Wolverton, MN, Case No. PU-2869-03-234. This agreement adopts Qwest's 6th revised Statement of Generally Available Terms and Conditions.

On May 8, 2003, applications were filed for approval of interconnection agreements negotiated between WWC Holding Co. of Bellevue WA and each of the nine captioned North Dakota telephone service providers. These agreements set forth rates, terms and conditions for specific interconnection and reciprocal compensation arrangements between the parties.

Also on May 8, 2003 Qwest filed for approval of an amendment negotiated to its interconnection agreement with Polar Telecom, Inc. of Park River, ND, Case No. PU-

2873-03-253. This amendment adds rates, terms and conditions for Transit Record Exchange.

On May 9, 2003, Qwest filed for approval of an amendment negotiated to its interconnection agreement with Sprint Communications Company, LC of Overland Park, KS, Case No. PU-2271-03-257. This amendment adds rates, terms and conditions for Collocation Available Inventory.

On May 13, 2003, Qwest filed for approval of an amendment negotiated to its interconnection agreement with U.S. Link, Inc. of Pequot Lakes, MN, Case No. PU-2630-03-264. This amendment adds terms and conditions for Qwest's Performance Assurance Plan.

These agreements were filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under section 252(e)(2)(A), the Commission may only reject an agreement (or portion thereof) adopted by negotiation if it finds that:

1. the agreement (or portion thereof) discriminates against a telecommunications carrier that was not a party to the agreement;
2. the implementation of the agreement (or portion thereof) is not consistent with the public interest, convenience, and necessity.

In addition, the Commission may include in its review state requirements that do not constitute barriers to entry under section 253.

On May 21, 2003, the Commission issued a Notice of Opportunity to File Written Comments, which provided that the Commission would receive comments on the agreements until June 21, 2003. No comments have been received.

The Commission has reviewed the agreements and does not find them discriminatory against a telecommunications carrier that was not a party to the agreements. The Commission finds that implementation of the agreements is not inconsistent with the public interest, convenience and necessity.

Order

The Commission orders:

1. The captioned interconnection agreements are APPROVED.
2. The Commission retains continuing jurisdiction over the agreements at all times.
3. Notice of any changes to the agreements must be filed promptly with the Commission.

4. The agreements must not be assigned, assumed or otherwise transferred without the approval of the Commission.

2. INTERPRETATION AND CONSTRUCTION

All references to Sections, Exhibits, Appendices and Schedules shall be deemed to be references to Sections of, and Exhibits, Appendices and Schedules to, this Agreement unless the context shall otherwise require. The headings of the Sections and the terms are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning of this Agreement. Unless the context shall otherwise require, any reference to any agreement, other instrument or other third party offering, guide or practice, statute, regulation, rule or tariff is for convenience of reference only and is not intended to be a part of or to affect the meaning of a rule or tariff as amended and supplemented from time-to-time (and, in the case of a statute, regulation, rule or tariff, to any successor provision).

3. SCOPE

- 3.1 This agreement applies to all Subject Traffic originated by the End User subscribers of one Party and terminated to end-user subscribers of the other Party which is (a) delivered over facilities owned or controlled by the Parties, which directly interconnect the Parties or, (b) indirectly connected, i.e., delivered over a Third Party Provider, performing transiting function, on behalf of the originating Party. Subject Traffic is subject to only the Reciprocal Compensation charges contained in Appendix A of this Agreement.
- 3.2 This Agreement is intended, *inter alia*, to describe and enable specific Interconnection/Reciprocal Compensation arrangements between the Parties. This Agreement does not obligate either Party to provide arrangements not specifically provided for herein. This Agreement relates to exchange of traffic between TELCO and WWC. TELCO's NXXs are listed in Telcordia's Local Exchange Routing Guide ("LERG") for Operating Company Number ("OCN") listed in Appendix A of this Agreement. WWC's NXXs are listed in LERG for OCN 5033 in the state of North Dakota.

- 3.3 This Agreement is limited to exchange of TELCO local exchange end-user customers' traffic for which TELCO has tariff authority to carry. This Agreement is further limited to exchange of WWC end user customers' traffic to which WWC provides service on a two-way wireless, mobile basis.
- 3.4 This Agreement does not cover the exchange of traffic for one-way mobile services such as paging, if provided by WWC. Should WWC desire to establish interconnection agreement with TELCO for such services, TELCO will engage in bona fide negotiations with WWC to establish an interconnection and compensation agreement for said one-way mobile services.
- 3.5 The Parties also agree to exchange traffic associated with Third Party local provider, if an agreement has been made between the originating Party and both the transiting Party and the terminating third party local provider. WWC shall not provide transiting function on behalf of TELCO.

4. SERVICE AGREEMENT

This Section describes the network architecture with which the Parties to this Agreement may interconnect their respective networks for exchange of Subject Traffic where the type of interconnection requested is reasonably available.

- 4.1 Interconnection Facilities. The Parties agree to the following interconnection options, when direct interconnection is requested by WWC for exchange of Subject Traffic. Alternatively, either party may choose to indirectly connect to the other party's network, and route Subject Traffic via the facilities of a third party that performs a transit function on behalf of WWC. Where WWC elects to utilize the facilities of Qwest or any other carrier to transport traffic between WWC's own facilities and the POI ("third party facilities"), WWC shall be responsible for any applicable transiting charges from the third party carrier.
 - 4.1.1 Type 1 Interconnection are facilities which provide a trunk side connection (line side treatment) between TELCO's End Office Switch and WWC's point of presence within that end office boundary, with the POI designated at the TELCO's End Office Switch.
 - 4.1.2 Type 2A Interconnection are facilities which provide a trunk side connection between TELCO's Tandem Office Switch and WWC's point of presence within the wire center boundary of the tandem switch, with the POI designated at the TELCO's Tandem Office Switch.

- 4.1.3 Type 2B Interconnection are facilities which provide a trunk side connection between TELCO's End Office Switch and WWC's point of presence within that end office boundary, with the POI designated at TELCO's End Office Switch. Type 2B facilities provide terminating and originating access to subscribers that can be reached via that TELCO's End Office Switch.
- 4.1.4 Facility Charges: In a direct interconnection, the Parties shall provide each other a forecast of projected mobile to land or land to mobile usage for each POI when significant changes in traffic patterns are anticipated. The Parties agree to work cooperatively to determine the number of trunks needed to handle the estimated traffic. Recurring charges billed by TELCO to WWC will be shared by the Parties on a proportional percentage basis as specified in Appendix A of this Agreement. The Parties' agreement to the sharing of facilities and the Reciprocal Compensation rate in Appendix A carries with it the precondition that the term of this Agreement is for three years. As such, the three points have been negotiated as one interrelated term containing specific rates and conditions which are non-separable for purposes of 47 C.F.R Section 252(i).

4.2 Facility Locations

- 4.2.1 Technical Feasibility: WWC may interconnect with TELCO's network at a technically feasible point, agreed upon by the Parties. The Parties acknowledge for purposes of this requirement that the locations listed in Appendix B of this Agreement constitute the technically feasible point(s) of interconnection for WWC to deliver traffic to the TELCO for transport and termination by the Telephone Company on its network. Appendix C contains WWC's initial POI. WWC may establish additional POI's, from time to time, in accordance with this Agreement.
- 4.2.2 Incumbent LEC Requirement: The Parties acknowledge that the terms and conditions specified in this Agreement do not apply to the provision of services or facilities by TELCO in those areas where TELCO is not the incumbent LEC.
- 4.2.3 Technical Requirements and Standards: Each Party will provide the services in this Agreement to the other Party at a standard at least equal in quality and performance to that which the Party provides itself and others. Either Party may request, and the other Party will provide, to the extent technically feasible, services that are superior or lesser in quality than the providing Party provides to itself, provided, however, that such services shall be considered special requests, and will be handled on a case-by-case basis.

- 4.2.4 Nothing in this Agreement will limit either Party's ability to modify its network, including, without limitation, the incorporation of new equipment, new software or otherwise provided, neither Party shall modify its network to the extent such modification will disrupt or degrade the other Party's use of the network. Each Party will provide the other Party reasonable written notice, of any such modifications to its network, which will materially impact the other Party's service. Each Party will be solely responsible, at its own expense, for the overall design of its telecommunications services and for any redesigning or rearrangement of its telecommunications services which may be required as a consequence of this Agreement, including, without limitation, changes in facilities, operations or procedures, minimum network protection criteria, or operating or maintenance characteristics of facilities.

4.3 Transmission and Routing of Traffic

This Section provides the terms and conditions for the exchange of traffic between the Parties' respective networks for the transmission and routing by the Parties of Telecommunications.

- 4.3.1 Directly Interconnected: Each Party shall be responsible for the delivery of Subject Traffic from its network to the POI established between the Parties for the Transport and Termination of such traffic by terminating Party to its End Users, as appropriate.
- 4.3.2 If WWC chooses to use TELCO's services or facilities, not otherwise covered under this Agreement, appropriate tariff rates will apply.
- 4.3.3 Indirectly Connected via a Third Party Provider: As an alternative to establishing a direct connection, either party may choose to deliver traffic from its network to a Third Party Provider and thus be indirectly connected with the other party for the delivery of traffic originated on that party's network.
- 4.3.3.1 TELCO agrees to route originating traffic, destined to a WWC NPA/NXX rated out of one of the TELCO's rate centers, to WWC via indirect connections when no direct connection exists provided that WWC assigns numbers from such NPA/NXX to customers within the local calling scope of TELCO customers, and that WWC has facilities to serve such customers. The Parties acknowledge that WWC is responsible for compensating TELCO for any applicable transiting charges from the third party tandem carrier. This includes any transport and tandem switching charges Qwest may bill to the TELCO for providing the transit function.

4.4 Transiting Traffic

The Parties acknowledge and agree that this Agreement is intended to govern the exchange of traffic to and from the Parties' respective networks only. Traffic originated by a Party and delivered to the other Party for termination to the network of a non-party Telecommunications Carrier ("Non-Party Carrier") may be delivered to a Non-Party Carrier. If a Non-Party Carrier objects to the delivery of such traffic, then either Party to this Agreement may request direction from the Commission, FCC, North Dakota state courts or federal courts. The transiting Party will continue to perform transiting functions for the other Party pending ruling from the Commission, FCC, North Dakota state courts or federal courts. The Party performing such transiting function will bill the other Party the transiting charge, as specified in Section 5 below. In order for Non-Party Carrier to bill the other Party for charges it is obligated to pay the Non-Party Carrier, the Party performing the transiting function must provide total minutes of transiting traffic terminating to the Non-Party Carrier. WWC shall not perform a transiting function pursuant to this Agreement.

5. COMPENSATION

5.1 Traffic Subject to Reciprocal Compensation

Reciprocal Compensation applies to the Transport and Termination of one Party's Subject Traffic by another Party over a Type 1, Type 2B, Type 2A, or indirect interconnection arrangement as described in Section 4.0.

The rate for Reciprocal Compensation is listed in **Appendix A** to this Agreement.

The Parties' agreement to the sharing of facilities and the Reciprocal Compensation rate in Appendix A carries with it the precondition that the term of this Agreement is for three years. As such, the three points have been negotiated as one interrelated term containing specific rates and conditions which are non-separable for purposes of 47 C.F.R Section 252(i).

- 5.2 Direct Billing. The Parties shall pay each other for all charges in accordance with the rates set forth in Appendix A of this agreement. Such payments are to be received within 45 days from the date of the billing statement. The Parties shall pay a late charge on any undisputed charges, which are not paid within the 45-day period. The rate of the late charge shall be the lesser of 1.5% per month or the maximum amount allowed by law. Each Party shall pay the other Party the reasonable amount of the collecting Party's expenses related to collection of overdue bills, such amounts to include reasonable attorney fees. If either Party disputes a billing statement issued by the other Party, the disputing Party shall notify the billing Party in writing regarding the nature and the basis of the dispute within thirty (60) days of the statement date, or the dispute shall be waived. The Parties shall diligently work toward resolution of all billing issues.

5.3 Traffic Subject to Transit Compensation.

Transit Compensation is applicable to the traffic originated on WWC's network and routed to TELCO for delivery to a Non-Party telecommunications carrier, as described in Section 4.4 above.

The rate for Transiting Compensation is listed in **Appendix A** to this Agreement.

5.4 Calculation of Payments and Billing.

5.4.1 WWC will compensate TELCO for Subject Traffic delivered to TELCO for termination to its customers, as prescribed and at the rates provided in Sections 5.1 preceding. WWC will also compensate TELCO for transiting traffic routed to TELCO for termination to a non-party carrier, as prescribed and at the rate provided in Section 5.3, preceding. TELCO will compensate WWC for Subject Traffic delivered to WWC for termination to its customers, as prescribed and at the rates provided in Sections 5.1 preceding.

5.4.2 TELCO shall prepare a monthly billing statement to WWC which will separately reflect the calculation of Reciprocal Compensation, Transit Compensation and total compensation due TELCO. Actual terminating usage recorded by TELCO and/or record/reports provided by Qwest will be used for billing WWC. For purposes of this Agreement, WWC will not measure or bill the TELCO for its termination of Subject Traffic originated by the TELCO. With respect to any TELCO-originated Subject Traffic, TELCO will issue a credit to WWC for Reciprocal Compensation based on the TELCO's Reciprocal Compensation billed to WWC and the application of the Traffic Factor in Section 1.0 of Appendix A.

5.4.3 Due to the de minimus amount of inter-MTA traffic and the associated administrative cost of identifying and billing inter-MTA traffic, the Parties agree to a 0% Inter-MTA Traffic factor as an estimate of the Inter-MTA Traffic being exchanged. Therefore, all traffic under this Agreement exchanged between the Parties will be Subject Traffic.

5.4.4 Each party may request to inspect, during normal business hours, the records, which are the basis for any monthly bill issued by the other Party and to request copies thereof provided that the requested records do not exceed 24 months in age from the date the monthly bill containing said record information was issued.

6. NOTICE OF CHANGES

If a Party contemplates a change in its network, which it believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least ninety (90) days advance written notice of such change to the other Party.

7. GENERAL RESPONSIBILITIES OF THE PARTIES

- 7.1 Each Party is individually responsible to provide facilities within its network which are necessary for routing, transporting and, consistent with Section 5, measuring and billing traffic from the other Party's network and for delivering such traffic to the other Party's network in a mutually acceptable format, and to terminate the traffic it receives in that mutually acceptable format to the proper address on its network. The Parties are each solely responsible for participation in and compliance with national network plans, including The National Network Security Plan and The Emergency Preparedness Plan, but agree to work cooperatively on matters that require joint implementation. Neither Party shall use any service related to or use any of the Services provided in this Agreement in any manner that prevents other persons from using their service or destroys the normal quality of service to other carriers or to either Party's customers, and subject to notice and a reasonable opportunity of the offending Party to cure any violation, either Party may discontinue or refuse service if the other Party violates this provision.
- 7.2 Each Party is solely responsible for the services it provides to its customers and to other Telecommunications Carriers.
- 7.3 Each Party is responsible for administering NXX codes assigned to it.
- 7.4 Each Party is responsible for obtaining Local Exchange Routing Guide ("LERG") listings of Common Language Location Identifier ("CLLI") assigned to its switches.
- 7.5 Each Party shall use the LERG published by Telcordia or its successor for obtaining routing information and shall provide all required information to Telcordia for maintaining the LERG in a timely manner.

8. TERM AND TERMINATION

- 8.1 Subject to the provisions of Sections 13 and 15, the initial term of this Agreement shall be for three years ("Term") which shall commence on the Effective Date. This Agreement shall automatically renew for successive six-month periods, unless, not less than sixty (60) days prior to the end of the Term or any renewal term, either party notifies the other party of its intent to terminate this Agreement in writing.

The Parties' agreement to the sharing of facilities and the Reciprocal Compensation rate in Appendix A carries with it the precondition that the term of this Agreement is for three years. As such, the three points have been negotiated as one interrelated term containing specific rates and conditions which are non-separable for purposes of 47 C.F.R Section 252(i).

- 8.2 The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:
- 8.2.1 If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the "Non-Paying Party") shall, within thirty (30) days of its receipt of the invoice containing such disputed amount, give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party. The Parties will work together in good faith to resolve issues relating to the disputed amounts. If the dispute is resolved such that payment is required, the Non-paying Party shall pay the disputed amounts with interest at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under North Dakota's applicable law. In addition, the Billing Party may cease terminating traffic for the Non-paying Party after undisputed amounts not paid become more than 90 days past due, provided the Billing Party gives an additional 30 days notice and opportunity to cure the default.
- 8.2.2 Any undisputed amounts not paid when due shall accrue interest from the date such amounts were due at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under North Dakota's applicable law.
- 8.2.3 Undisputed amounts shall be paid within thirty (30) days of receipt of invoice from the Billing Party.
- 8.3 Upon termination or expiration of this Agreement in accordance with this Section:
- (a) Each Party shall comply immediately with its obligations as set forth above;
- (b) Each Party shall promptly pay all amounts (including any late payment charges) owed under this Agreement;
- (c) Each Party's indemnification obligations shall survive termination or expiration of this Agreement.
- 8.4 Either Party may terminate this Agreement in whole or in part in the event of a default of the other Party, provided, however, that the non-defaulting Party

notifies the defaulting Party in writing of the alleged default and the defaulting Party does not correct the alleged default within thirty (30) days after receipt of written notice thereof.

- 8.5 If prior to expiration or termination of this Agreement either Party requests the negotiation of a successor agreement, then upon approval of the successor agreement this Agreement shall terminate. If the Parties are unable to negotiate a successor agreement within the statutory time frame set for negotiations under the Act, then either Party has the right to submit this matter to the Commission for resolution pursuant to the statutory rules for arbitration under the Act.

9. CANCELLATION CHARGES

Except as provided herein, no cancellation charges shall apply.

10. NON-SEVERABILITY

- 10.1 The services, arrangements, terms and conditions of this Agreement were mutually negotiated by the Parties as a total arrangement and are intended to be non-severable.
- 10.2 Nothing in this Agreement shall be construed as requiring or permitting either Party to contravene any mandatory requirement of federal or state law, or any regulations or orders adopted pursuant to such law.

11. INDEMNIFICATION

- 11.1 Each Party (the "Indemnifying Party") shall indemnify and hold harmless the other Party ("Indemnified Party") from and against loss, cost, claim liability, damage, and expense (including reasonable attorney's fees) to customers and other third parties for:

- (a) damage to tangible personal property or for personal injury proximately caused by the negligence or willful misconduct of the Indemnifying Party, its employees, agents or contractors;
- (b) claims for libel, slander, or infringement of copyright arising from the material transmitted over the Indemnified Party's facilities arising from the Indemnifying Party's own communications or the communications of such Indemnifying Party's customers; and
- (c) claims for infringement of patents arising from combining the Indemnified Party's facilities or services with, or the using of the Indemnified Party's services or facilities in connection with, facilities of the Indemnifying Party.

Notwithstanding this indemnification provision or any other provision in the Agreement, neither Party, nor its parent, subsidiaries, affiliates, agents, servants,

or employees, shall be liable to the other for Consequential Damages (as defined in Section 12.3).

11.2 The Indemnified Party will notify the Indemnifying Party promptly in writing of any claims, lawsuits, or demands by customers or other third parties for which the Indemnified Party alleges that the Indemnifying Party is responsible under this Section, and, if requested by the Indemnifying Party, will tender the defense of such claim, lawsuit or demand.

(a) In the event the Indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the Indemnified Party may proceed to defend or settle said action and the Indemnifying Party shall hold harmless the Indemnified Party from any loss, cost liability, damage and expense.

(b) In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.

(c) The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit.

12. LIMITATION OF LIABILITY

12.1 No liability shall attach to either Party, its parents, subsidiaries, affiliates, agents, servants, employees, officers, directors, or partners for damages arising from errors, mistakes, omissions, interruptions, or delays in the course of establishing, furnishing, rearranging, moving, terminating, changing, or providing or failing to provide services or facilities (including the obtaining or furnishing of information with respect thereof or with respect to users of the services or facilities) in the absence of gross negligence or willful misconduct.

12.2 Except as otherwise provided in Section 11.0, no Party shall be liable to the other Party for any loss, defect or equipment failure caused by the conduct of the first Party, its agents, servants, contractors or others acting in aid or concert with that Party, except in the case of gross negligence or willful misconduct.

12.3 In no event shall either Party have any liability whatsoever to the other Party for any indirect, special, consequential, incidental or punitive damages, including but not limited to loss of anticipated profits or revenue or other economic loss in connection with or arising from anything said, omitted or done hereunder (collectively, "Consequential Damages"), even if the other Party has been advised of the possibility of such damages, except in the case of gross negligence or willful misconduct.

13. **REGULATORY APPROVAL**

The Parties understand and agree that this Agreement will be filed with the Commission, and to the extent required by FCC rules may thereafter be filed with the FCC. Each Party covenants and agrees to fully support approval of this Agreement by the Commission or the FCC under Section 252(e) of the Act without modification. The Parties, however, reserve the right to seek regulatory relief and otherwise seek redress from each other regarding performance and implementation of this Agreement. In the event the Commission or FCC rejects this Agreement in whole or in part, the Parties agree to meet and negotiate in good faith to arrive at a mutually acceptable modification of the rejected portion(s). Further, this Agreement is subject to change, modification, or cancellation as may be required by a regulatory authority or court in the exercise of its lawful jurisdiction.

The Parties agree that their entrance into this Agreement is without prejudice to any positions they may have taken previously, or may take in future, in any legislative, regulatory, judicial or other public forum addressing any matters, including matters related to the same types of arrangements covered in this Agreement.

14. **PENDING JUDICIAL APPEALS AND REGULATORY RECONSIDERATION**

The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated thereunder by the FCC and the Commission as of the Effective Date ("Applicable Rules"). In the event of any amendment to the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, dispute resolution procedures under this Agreement or other legal action purporting to apply the provisions of the Act to the Parties or in which the FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or reverses the Applicable Rules (individually and collectively, Amended Rules), either Party may, by providing written notice to the other party, require that the affected provisions of this Agreement be renegotiated in good faith and this Agreement shall be amended accordingly to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement.

During the pendency of the Force Majeure, the duties of the Parties under this Agreement affected by the Force Majeure condition shall be abated and shall resume without liability thereafter.

15.5 Confidentiality

15.5.1 Any information such as specifications, drawings, sketches, business information, forecasts, models, samples, data, computer programs and other software and documentation of one Party (a Disclosing Party) that is furnished or made available or otherwise disclosed to the other Party or

any of its employees, contractors, or agents (its "Representatives" and with a Party, a "Receiving Party") pursuant to this Agreement ("Proprietary Information") shall be deemed the property of the Disclosing Party. Proprietary Information, if written, shall be clearly and conspicuously marked "Confidential" or "Proprietary" or other similar notice, and, if oral or visual, shall be confirmed in writing as confidential by the Disclosing Party to the Receiving Party within ten (10) days after disclosure. Unless Proprietary Information was previously known by the Receiving Party free of any obligation to keep it confidential, or has been or is subsequently made public by an act not attributable to the Receiving Party, or is explicitly agreed in writing not to be regarded as confidential, such information: (i) shall be held in confidence by each Receiving Party; (ii) shall be disclosed to only those persons who have a need for it in connection with the provision of services required to fulfill this Agreement and shall be used by those persons only for such purposes; and (iii) may be used for other purposes only upon such terms and conditions as may be mutually agreed to in advance of such use in writing by the Parties. Notwithstanding the foregoing sentence, a Receiving Party shall be entitled to disclose or provide Proprietary Information as required by any governmental authority or applicable law, upon advice of counsel, only in accordance with Section 15.5.2 of this Agreement.

- 15.5.2 If any Receiving Party is required by any governmental authority or by applicable law to disclose any Proprietary Information, then such Receiving Party shall provide the Disclosing Party with written notice of such requirement as soon as possible and prior to such disclosure. The Disclosing Party may then seek appropriate protective relief from all or part of such requirement. The Receiving Party shall use all commercially reasonable efforts to cooperate with the Disclosing Party in attempting to obtain any protective relief which such Disclosing Party chooses to obtain.
- 15.5.3 In the event of the expiration or termination of this Agreement for any reason whatsoever, each Party shall return to the other Party or destroy all Proprietary Information and other documents, work papers and other material (including all copies thereof) obtained from the other Party in connection with this Agreement and shall use all reasonable efforts, including instructing its employees and others who have had access to such information, to keep confidential and not to use any such information, unless such information is now, or is hereafter disclosed, through no act, omission or fault of such Party, in any manner making it available to the general public.

Whenever possible, these amounts shall be billed as a separate item on the invoice. To the extent a sale is claimed to be for resale tax exemption, the purchasing Party shall furnish the providing Party a proper resale tax exemption certificate as authorized or required by statute or regulation by the jurisdiction providing said resale tax exemption. Failure to timely provide such sale for resale tax exemption certificate will result in no exemption being available to the purchasing Party.
- 15.8 Assignment. This Agreement shall be binding upon the Parties and shall continue to be binding upon all such entities regardless of any subsequent change in their ownership. Each Party covenants that, if it sells or otherwise transfers to a third party, unless the Party which is not the subject of the sale or transfer reasonably determines that the legal structure of the transfer vitiates any such need, it will require as a condition of such transfer that the transferee agree to be bound by this Agreement with respect to services provided over the transferred facilities. Except as provided in this paragraph, neither Party may assign or transfer (whether by operation of law or otherwise) this Agreement (or any rights or obligations hereunder) to a third party without the prior written consent of the other Party which consent will not be unreasonably withheld; provided that either Party may assign this Agreement to a corporate Affiliate or an entity acquiring all or substantially all of its assets or equity by providing prior written notice to the other Party of such assignment or transfer. Any attempted assignment or transfer that is not permitted is void ab initio. Without limiting the generality of the foregoing, this Agreement shall be binding upon and shall inure to the benefit of the Parties' respective successors and assigns.
- 15.9 Non-Waiver. Failure of either Party to insist on performance of any term or condition of this Agreement or to exercise any right or privilege hereunder shall not be construed as a continuing or future waiver of such term, condition, right or privilege.
