| 8         | Regional TELRIC                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |           |                 |       |
| 9         | A special request is a request by the customer to perform something that is technically feasible but the process and pricing are not yet in place.                                                                                                                                                                                                                                                                                                                                                      |           |                 |       |
| ##        | Additional reduction to voluntarily reduced rates.                                                                                                                                                                                                                                                                                                                                                                                                                                                      |           |                 |       |
| 10        | Rate agreed to with staff pending resolution of wire cable termination policy review.                                                                                                                                                                                                                                                                                                                                                                                                                   |           |                 |       |
| 11        | When distribution is purchased only for the purpose of campus wire, no recurring or nonrecurring charges will be assessed. This does not include collocation charges or FCP placement.                                                                                                                                                                                                                                                                                                                  |           |                 |       |
| 12        | The engineering and planning costs are included in the caged & cageless construction charges. These charges are included in the caged & cageless quote preparation fees. Upon completion of construction, the QPF will be credited to final construction charge for job. The credit will apply to whichever QPF is applied. This exhibit currently lists multiple QPFs based on what has been proposed on the cost docket and what was approved in the AT&T IA. CLEC may choose either QPF at this time |           |                 |       |
| 13        | Owest will not charge for this element until the Commission has an opportunity to review and approve a rate in a cost proceeding.                                                                                                                                                                                                                                                                                                                                                                       |           |                 |       |
|           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |           |                 |       |
|           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |           |                 |       |
|           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |           |                 |       |
|           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |           |                 |       |
