PPM Energy, Inc.
230 kV Transmission Line
Siting Application
Case No. PU-05-305

Dear Mr. Bender:

On August 9, 2005, Commissioner Wefald received a second correspondence from J T McIntire regarding the captioned matter. A copy of this correspondence is enclosed.

The correspondence at issue here does not fall neatly into the category of "public input" and the Commission has not yet determined what, if any, consideration it will give the filing.

As before, in order to comply with both the letter and the spirit of the law, the Commission is docketing the correspondence. The Commission, by this mailing, and in compliance with N.D.C.C. section 28-32-25, is also providing the applicant with a copy of the correspondence received by the Commission. The applicant will be allowed to respond to the above docketed information, if it wishes, and if it requests that the hearing be reopened for additional testimony or examination or cross-examination of witnesses, such a request may be granted.

If you have any questions, concerns or comments, please do not hesitate to call or write.

Sincerely,

Illona A. Jeffcoat-Sacco
Executive Secretary
