PUBLIC SERVICE COMMISSION

Dear Mr. Fahn:

Enclosed is the third annual report to present woody vegetation survival for trees and shrubs replanted under Public Service Commission order No. PU-05-184 for pipeline construction in Williams County, ND.

Replacement trees and shrubs were inspected on September 11, 2008. The woody vegetation growth was found to be 88% in the areas inspected.

Please close this tree monitoring requirement under PSC order No. PU-05-184.

Call me at 701-575-4254 ext. 34 if you have any questions.

Respectfully,

Daniel Holli
Environmental Specialist
