**RE: PLAINS PIPELINE, L.P.
APPLICATION FOR CERTIFICATE
OF PUBLIC CONVENIENCE AND
NECESSITY**

Dear Mr. Fahn:

This will confirm our telephone conversation earlier this week wherein we discussed the matter of the meeting of the Public Service Commission to consider the Application for a Certificate of Public Convenience & Necessity of Plains Pipeline, L.P. for its Trenton Pipeline System.

As we discussed, Plains will have a representative available for the meeting scheduled for November 2, 2005.

Should you have any questions, please advise.

Sincerely,

LA WRENCE BENDER
