Subject: Burleigh County Wind Project - Transmission Line Status

Ms. Bendish and Mr. Lein,

The following has been completed on the Burleigh County Wind Project Transmission Line as of 19 November 2005:

The towers are all erected and the contractor has begun stringing conductor.

Plans for the week of 21 November 2005:

Brink Constructors will continue stringing conductor. Brink plans to take Thanksgiving day off but plans to work Friday and Saturday in an attempt to finish the project this week.

Please let me know if you need any other information.

Sincerely,
Mark Sherman, P.E.
