RE: FPL Burleigh County Wind, LLC  
Post Construction Inspection, Case No. PU-05-205

Dear Mr. Lein:

Below please find FPL Burleigh County Wind, LLC's ("the Company") response to your letter of February 12, 2014. The following list provides responses to your inquiries and references to requested documentation. These documents can be found on the enclosed CD. For activities that are not complete, we are still awaiting confirmation, conducting further research, and/or gathering the appropriate paperwork. An update on the status of these items will be provided to the Commission within 30 days.

**Case No. PU-05-205**

- FPL should provide a substation as built drawing or drawings, design specifications and fence dimensions for Commission's file. (Order Points 9 and 18)
  - Please see file "Substation As Built Drawings" on enclosed CD
- FPL should provide a letter to the Commission that the substation was constructed and operates in accordance with the National Electric Safety Code Standards. (Order Point 9)
  - Assessment underway, the Company will discuss its response with Staff

Thank you for your attention to this matter. Please feel free to contact me at (561) 691-7887 should you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nicole Daggs".
