PUBLIC SERVICE COMMISSION

STATE OF NORTH DAKOTA

Route Permit for the Construction of a Transmission Facility

First Amended Permit Number 49

This is to certify that the Commission has designated a transmission facility route for Enbridge Pipelines (North Dakota) LLC which is described as follows:

construction and operation of an eight-inch crude oil pipeline with associated facilities and pipeline interconnections in Williams and McKenzie Counties, North Dakota.

The facility may be routed in compliance with the transmission facility routing criteria.

This permit is amended in Case No. PU-05-274 and is subject to the conditions and limitations noted in that order and the Order of the Commission dated October 11, 1983, in Case No. 10,472.

Bismarck, North Dakota, July 28, 2005.
