Dear Mr. Fahn,

Please find below project update.

Progress as of week ending October 8, 2005

East Fork

1. Montrel Williams has completed power line upgrade to a point just across the road from the station.
2. Completed initial site grading
3. Started on excavation for foundations

Alexander

1. No work at the site to date

Trenton

1. Started excavations for Pump Foundation and Cable trenches
2. Electrical contractor started layout work preparing for equipment installation

Fab Shop

1. Continue with piping fabrication for all stations.

Schedule

Forecast remains the same
Project inservice date 11-18-05

Safety

No issues to report

Discussion

Snow storm of 8 inches resulted in lost 2 to 3 days at East Fork.

Future work (next two weeks)

1. Complete foundations at East Fork and Trenton

2. Install electrical equipment at Trenton
3. Complete cable trench excavation at Trenton
4. Start cable trench excavations at Alexander
5. Complete pipe fabrication and hydrotesting

Please call if you have questions.

Sincerely,

John H. Pechin
