Dear Mr. Fahn,

Here are a few pictures for your review. The first three (#'s 682, 683, & 684) were taken at the East Fork Station on 10-18-05. The last one # 685 was taken at Trenton on 10-19-05.

685 shows Trenton pump foundation  
682 shows excavation for East Fork pump foundation  
683 shows base foundations for East Fork electrical building  
684 shows East Fork new transformer and meter box pads. You can also see power company feeder is pulled in to transformer pad.

I will be at the site each week for the next three weeks. Please contact me anytime if you would like to visit.

John
