July 2, 2007

North Dakota One-Call, Inc.  
Attn: Ronald Ness  
4100 32<sup>nd</sup> Ave SW  
Fargo, ND 58104

**RE: June 11, 2007 Letter from One-Call to Qwest**

Dear Mr. Ness:

I am in receipt of your letter dated June 11, 2007 to Mr. Blickensderfer and would like to address a few of your misunderstandings.

Qwest Communications has not waived 811 charges in other states. In fact, the only state that Qwest has waived any charges was in North Dakota, and that was for service establishment. Qwest will honor the waiver of service establishment charges as offered by Mr. Kambeitz. Qwest will also waive the outstanding balance of \$12.09 for the per call charge to clear up any misunderstanding. Qwest has never offered the per call charge as something that would be waived.

With regard to who is responsible for the costs associated with the implementation of 811 dialing, as mandated by the FCC, it is ND One Call that is responsible for those charges. In reality, the ND One Call will share those costs among the member utilities, which is what it should do. To suggest that only Qwest be responsible for carrying the costs while letting the other utilities escape without sharing in those costs is unreasonable. Qwest has lawfully filed a tariff (catalog) that contains charges for 811 service in North Dakota and will continue to enforce the payment of those charges contained in that lawful document.

Please do not hesitate to contact me if you have further additional questions or concerns.

Sincerely,

Timothy D. Kunkleman  
Director – Public Policy

Enclosed is the update on the 811 conversions I have todate. Qwest informed me that they were going to charge a \$300 setup plus \$30 per office for a total conversion cost of \$870. They then stated that they were going to charge \$.01 per call to the One-Call Center.

If you have any questions, please call me.

Chad

APPROVED

DATE: 11-2-05  
KMF

**MOTION**

**November 2, 2005**

**Public Service Commission  
811 Designation  
Investigation**

**Case No. PU-05-514**

I move the Commission adopt the Order in Case No. PU-05-514.

PJF/sdh

**STATE OF NORTH DAKOTA**  
**PUBLIC SERVICE COMMISSION**

**North Dakota Public Service Commission**  
**811 Designation**  
**Investigation**

**Case No. PU-05-514**

**ORDER**

**November 2, 2005**

The Federal Communications Commission (FCC) has designated 811 as the national abbreviated dialing code to provide advance notice of excavation activities to underground facilities operators. The 811 dialing code would provide excavators with direct access to One Call Notifications Centers. The use of 811 removes the need for each state to have its own One Call services number.

North Dakota Century Code § 49-23-03 provides for a statewide notification center governed by a nonprofit corporation and operated by a vendor selected by the board of directors of the nonprofit corporation. The notification center receives notice from an excavator of planned excavation or other requests for location and transmits this notice to persons who operate underground facilities that may be affected by the excavation. The board of directors is currently called the North Dakota One Call Board and the vendor operator of the notification center is One Call Concepts.

The FCC has determined that the states should address any technical and operational issues that may arise with the implementation of the 811 code.

On September 7, 2005 the Commission issued a Notice of Opportunity for Comment, Notice of Opportunity for Hearing, and Notice of Informal Hearing (Notice). The Commission provided until October 12, 2005 for those interested to file comments or request a hearing. No requests for hearing have been received. The Commission stated it could determine the matter without a hearing.

The Notice set forth the following issues:

1. The use by the statewide notification center established under North Dakota Century Code § 49-23-03 of the 811 dial code consistent with the FCC intended use of that code.
2. Any reason the statewide notification center established under North Dakota Century Code § 49-23-03 should not be the user of the 811 dialing code in North Dakota.

An Informal Hearing was held as scheduled on October 17, 2005. Representatives of the North Dakota One Call Board confirmed its current role as the statewide notification center for North Dakota and its intention to use the 811 dial code.

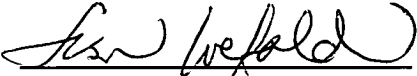

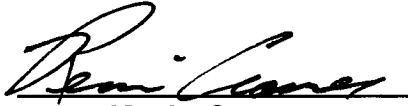

The North Dakota One Call Board has agreed to update the Commission as it meets milestones in the 811 implementation and its actual start date.

The proposed use by the statewide notification center of the 811 dial code in North Dakota is consistent with the FCC intended use of that code. No other party has requested the use of the 811 dialing code in North Dakota.

**Order**

The statewide notification center established under North Dakota Century Code § 49-23-03 is authorized to use the 811 dialing code in North Dakota to provide advance notice of excavation activities to underground facilities operators.

STATE OF NORTH DAKOTA  
PUBLIC SERVICE COMMISSION

North Dakota Public Service Commission  
811 Designation  
Investigation

Case No. PU-05-514

COMMENTS OF QWEST  
CORPORATION

On September 7, 2005, the North Dakota Public Service Commission ("Commission") issued a Notice of Opportunity for Comment, Notice of Opportunity for Hearing, and Notice of Informal Hearing in this docket. The Commission seeks comments concerning technical and operational issues associated with implementing 811 as the universal One Call number in North Dakota. Also, the Commission seeks comment on whether the use by the statewide notification center established under North Dakota Century Code § 49-23-03 of the 811 dial code is consistent with the Federal Communications Commission's ("FCC") intended use of the code. Finally, the Commission seeks comments on any reason why the statewide notification center should not use the 811 dialing code in North Dakota.

The FCC released its Report and Order on March 14, 2005 (the "Order") designating "811" as the national abbreviated dialing code to be used by state One Call notification systems.<sup>1</sup> The Order implements the Pipeline Safety Improvement Act of 2002 (the "Dig Act"), which provides for the establishment of a nationwide toll-free abbreviated dialing arrangement to be used to give advanced notice of excavation activities to underground facility operators.<sup>2</sup> In the

<sup>1</sup>Pipeline Safety Improvement Act of 2002, Pub. L. No. 107-355, § 17, 116 Stat. 2985, 3008 (2002) (the "Pipeline Safety Act").

<sup>2</sup>*Id.*

Order, the FCC delegated authority to state commissions, pursuant to section 251(e) of the Telecommunications Act of 1996, to address technical and operational issues.<sup>3</sup>

The FCC's Order requires carriers to implement the use of "811" by April 13, 2007. The Order also requires discontinuing the use of existing abbreviated dialing sequences such as wireless carriers' use of "344" ("DIG") and wireline carriers toll-free 8XX for "call before you dig" services. The Order directs that either the Numbering Plan Area (NPA)-NXX for wireline, or the originating switch for wireless, determine the appropriate "One Call Center" to which a call should be routed.

It is Qwest's belief that One Call Concepts, the underground utility notification center of North Dakota, is clearly the appropriate user of 811 abbreviated dialing. The Dig Act, as well as the Order, specifically intend for one call notification centers for each state across the country to operate as the recipients of 811 calls. One Call Concepts is already the established notification center and should continue to operate as such.

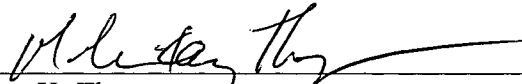

Qwest has already begun the necessary work to implement the use of 811 as the national abbreviated dialing pattern for access to State One Call Centers. From Qwest's perspective, implementing 811 dialing is accomplished through translations work by each carrier for each of their switches. At this point, Qwest does not believe any technical or operational issues exist that the Commission must address. The Commission should simply require carriers to notify the Commission upon completion of modifications to their switches.

---

<sup>3</sup>*Id.*

Respectfully submitted this 11th day of October, 2005.

# Affidavit of Publication

Alleen Park, being duly sworn, state as follows:

1. I am the designated agent, under the provisions and for the purposes of, Section 31-04-06, NDCC, for the newspapers listed on the attached exhibits.

2. The newspapers listed on the exhibits published the advertisement of:

PSC, 811 Designation

1 time(s) as required by law or ordinance.

3. All of the listed newspapers are legal newspapers in the State of North Dakota and, under the provisions of Section 46-05-01, NDCC, are qualified to publish any public notice or any matter required by law or ordinance to be printed or published in a newspaper in North Dakota.

Signed: Alleen Park

State of ND

County of Burleigh

Subscribed and sworn to before me this 21 day of September 20 05.

Kim Hilzenger

**To:** ndna  
**Subject:** Attached Notice of Opportunity for Comment, Notice of Opportunity for Hearing and Notice of Informal Hearing, cAse No. PU-05-514

Colleen Park  
North Dakota Newspaper Association

Dear Colleen:

Please have the attached Notice published as a legal publication in the next issue of the ten North Dakota daily newspapers, and run it as a "News Item Only" article as well.

Send the bill the Public Service Commission, along with a tear sheet for billing purposes.

If you have any questions, let me know.

Thank you.

Sharon Helbling

**Public Service Commission  
811 Designation  
Investigation**

**Case No. PU-05-514**

I move the Commission issue a Notice of Opportunity for Comment, Notice of Opportunity for Hearing and Notice of Informal Hearing in Case No. PU-05-514.

PJF/sdh

**STATE OF NORTH DAKOTA**  
**PUBLIC SERVICE COMMISSION**

**North Dakota Public Service Commission**  
**811 Designation**  
**Investigation**

**Case No. PU-05-514**

**NOTICE OF OPPORTUNITY FOR COMMENT,**  
**NOTICE OF OPPORTUNITY FOR HEARING**  
**AND**  
**NOTICE OF INFORMAL HEARING**

**September 7, 2005**

The Federal Communications Commission (FCC) has designated 811 as the national abbreviated dialing code to provide advance notice of excavation activities to underground facilities operators. The 811 dialing code would provide excavators with direct access to One Call Notifications Centers. The use of 811 removes the need for each state to have its own One Call services number.

North Dakota Century Code § 49-23-03 provides for a statewide notification center governed by a nonprofit corporation and operated by a vendor selected by the board of directors of the nonprofit corporation. The notification center receives notice from an excavator of planned excavation or other requests for location and transmits this notice to persons who operate underground facilities that may be affected by the excavation. The board of directors is currently called the North Dakota One Call Board and the vendor operator of the notification center is One Call Concepts.

The FCC has determined that the states should address any technical and operational issues that may arise with the implementation of the 811 code.

The Commission is soliciting comments from industry concerning technical and operational issues with implementation of 811 as the universal One Call number in North Dakota. The Commission also seeks comment on:

1. The use by the statewide notification center established under North Dakota Century Code § 49-23-03 of the 811 dial code consistent with the FCC intended use of that code?
2. Any reason the statewide notification center established under North Dakota Century Code § 49-23-03 should not be the user of the 811 dialing code in North Dakota?

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. Comments and requests for hearings must be received by **October 12, 2005**. If deemed appropriate, the Commission can determine the matter without a hearing.

An **Informal Hearing** on this matter will be held on **October 17, 2005 at 10 a.m. (CDT)** in the Commission hearing room, State Capitol, 12<sup>th</sup> Floor, Bismarck, North Dakota 58505.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials please notify Illona A. Jeffcoat-Sacco, Executive Secretary at least 24 hours in advance.
