To All:

I received a call today from an Alex Mennard from the FCC stating that the FCC did not act on the Expanded ETC Petition filed by North Dakota Network Co. Since the FCC did not take action, the Petition has been approved as of July 13, 2006.

Alex Menard did say he was going to call the ND PSC today to give them notice of the approval and I gave him Illona's phone number.

Thank you,
Julie Lizotte
