

Planning to move?

Xcel Energy has filed a tariff regarding the tenant change process for utility service in residential rental units.

The proposed changes will ensure tenants and landlords have utility service when it's needed.

The North Dakota Public Service Commission has scheduled a hearing:

**Thursday, October 12, at 1:30
p.m.**

**Cass County Annex Building
Lower level conference room
1010 2nd Ave. South, Fargo, ND
Lower level conference room**

Please come if you would like to learn more about the tariff, ask questions, or provide comments.
