

Re: Notice of Paper Hearing, Federal Energy Policy Act Standards, Case No. PU-06-290

We have received your letter of January 24, 2007 concerning the above referenced project.

- We have no comment on your proposed action.
- Please address any further correspondence about this project or any project to the following address:

Regional Environmental Coordinator
National Park Service
Midwest Regional Office
601 Riverfront Drive
Omaha, NE 68102

Due to limited staff and the number of requests we receive for early coordination, we ask that companies/agencies assume we will have no comments on projects if they have not heard from us within 30 days of our receipt of the request.

Thank you,

Regional Environmental Coordinator
