Dear Tracey:

We have reviewed: "Addendum to Oliver County Wind Farm: A Class III Cultural Resource Inventory in Oliver County, North Dakota: Substation and Transmission Line," prepared by Andrea Kulevsky, (Metcalf Archaeological Consultants, July 2006), and find it acceptable.

We concur with "No Significant Sites Affected" and "No Historic Properties Affected" determinations provided that the project is of the nature stated and it takes place in the location mapped and described in the report and other project documentation.

If you have questions please contact either Susan Quinnell at (701) 328-3576 or Paul Picha at (701) 328-3574.

Sincerely,

Merlan E. Paaverud, Jr.
