RE: FPL Energy Oliver County Wind, LLC
Post Construction Inspection, Case No. PU-06-312

Dear Mr. Lein:

Below please find FPL Energy Oliver County Wind, LLC's ("the Company") response to your letter of February 12, 2014. The following list provides responses to your inquiries and references to requested documentation. These documents can be found on the enclosed CD. For activities that are not complete, we are still awaiting confirmation, conducting further research, and/or gathering the appropriate paperwork. An update on the status of these items will be provided to the Commission within 30 days.

Case No. PU-06-312

- FPL is required to submit a 10 year plan to the Commission annually under current laws and beginning every other year in 2014. To date, FPL has not complied with this provision (Order Point 5 and NDCC 49-22-04).
 - Please see file "Oliver I 10 year Plan" on enclosed CD
- FPL should provide a letter to the Commission that the transmission line and collector substation were constructed and operate in accordance with the National Electric Safety Code Standards. (Order Point 7)
 - Assessment underway, the Company will discuss its response with Staff.
- FPL should provide as built drawing or drawings for the transmission line and substation for the Commission's file. (Order Point 18)
 - Please see file "Oliver – T-Line 072506" on enclosed CD
- According to the new Tree Mitigation Plan, Oliver County Wind, LLC (Oliver Wind) is a subsidiary of NextEra Resources, Inc. If NextEra Resources, Inc. now owns the transmission line and the Oliver Substation, a modification to the Route Permit and Certificate of Corridor is required. (Order Point 19)
 - All transmission and substation facilities are still owned by Oliver County Wind, LLC, which is a wholly owned subsidiary of NextEra Energy Resources, LLC

Thank you for your attention to this matter. Please feel free to contact me at (561) 691-7887 should you have any questions.

Sincerely,
