Dear Ms. Jeffcoat-Sacco:

In re: Enbridge Pipelines (North Dakota) LLC
Case No. PU-06-330
Trenton to Beaver Lodge Pipeline
Williams County Siting Application
Our File No. 120-27894

We understand that the Commission requests a letter regarding Mr. Cartier, who appeared at the hearing held in this matter in Williston on August 28, 2006. We understand the Commission is inquiring as to whether an understanding has been reached with him regarding the location of the pipeline within his property. For reference, his property is located in the SE¼ of Section 34, as identified on Exhibit No. 6, Sheet 6.

Mr. Cartier has requested that the pipeline be placed in the originally proposed route which is depicted in yellow, so as to parallel the existing pipeline. Enbridge has agreed to Mr. Cartier's request. In addition, this route has been cleared from any cultural resource sites by the archeologist retained by Enbridge.

We hope the foregoing complies with the Commission's request in this matter.

Very truly yours,

BRIAN R. BJELLA
