Evaluation Report of Sites 32WI76 and 32WI960**

Dear Kris:

We have reviewed project : "Enbridge Pipelines (North Dakota) LLC, North Dakota Pipeline Expansion Project: Evaluative Testing of Sites 32WI76 and 32WI960, Williams County, North Dakota," by Jennifer L. Hardy and John G. Morrison (Earthworks, ROI 473, December 2006) and find it acceptable.

We concur that 32WI76 and 32WI960 are not significant and not eligible for listing in the National Register of Historic Places. Also, we concur with a "**No Historic Properties Affected**" determination provided this segment of the project is restricted to the locations plotted and described in the report and other project documentation.

Thank you for the opportunity to review the project. If you have questions please contact Paul Picha at (701) 328-3574.

Sincerely,

Merlan E. Paaverud, Jr.
