To all:

I have attached a copy of the brief we filed yesterday in the appeal of the STB's small rail rate case rules. The STB will file its reply on Dec 5, the RRs will file their reply on Dec. 22, and we will respond to both on Jan. 21.

The RRs also filed their brief challenging the three-benchmark standard in the new rules yesterday. As Intervenor in that case, we will file a reply on Dec. 5.

Best Regards,
