Re: TransCanada Keystone Pipeline LP Project
Case No. PU-06-421
Our File No. 11815

Dear Ms. Jeffcoat-Sacco:

As was requested, I have obtained on behalf of TransCanada Keystone Pipeline and I am filing with this letter an 8½ x 11 map of the proposed Keystone Pipeline route in North Dakota. Other than the proposed pipeline route, the attached North Dakota map contains the major cities, counties and other land marks as noted.

I understood that this map was requested in order to use a less detailed map for the purpose of publication with the notice of the proposed pipeline route. I assume that the enclosed map will meet the specifications for the publication.

I have also forwarded by email an electronic version of this North Dakota map for your convenience.

If you have any questions or require anything additional, please feel free to contact me.

Sincerely,

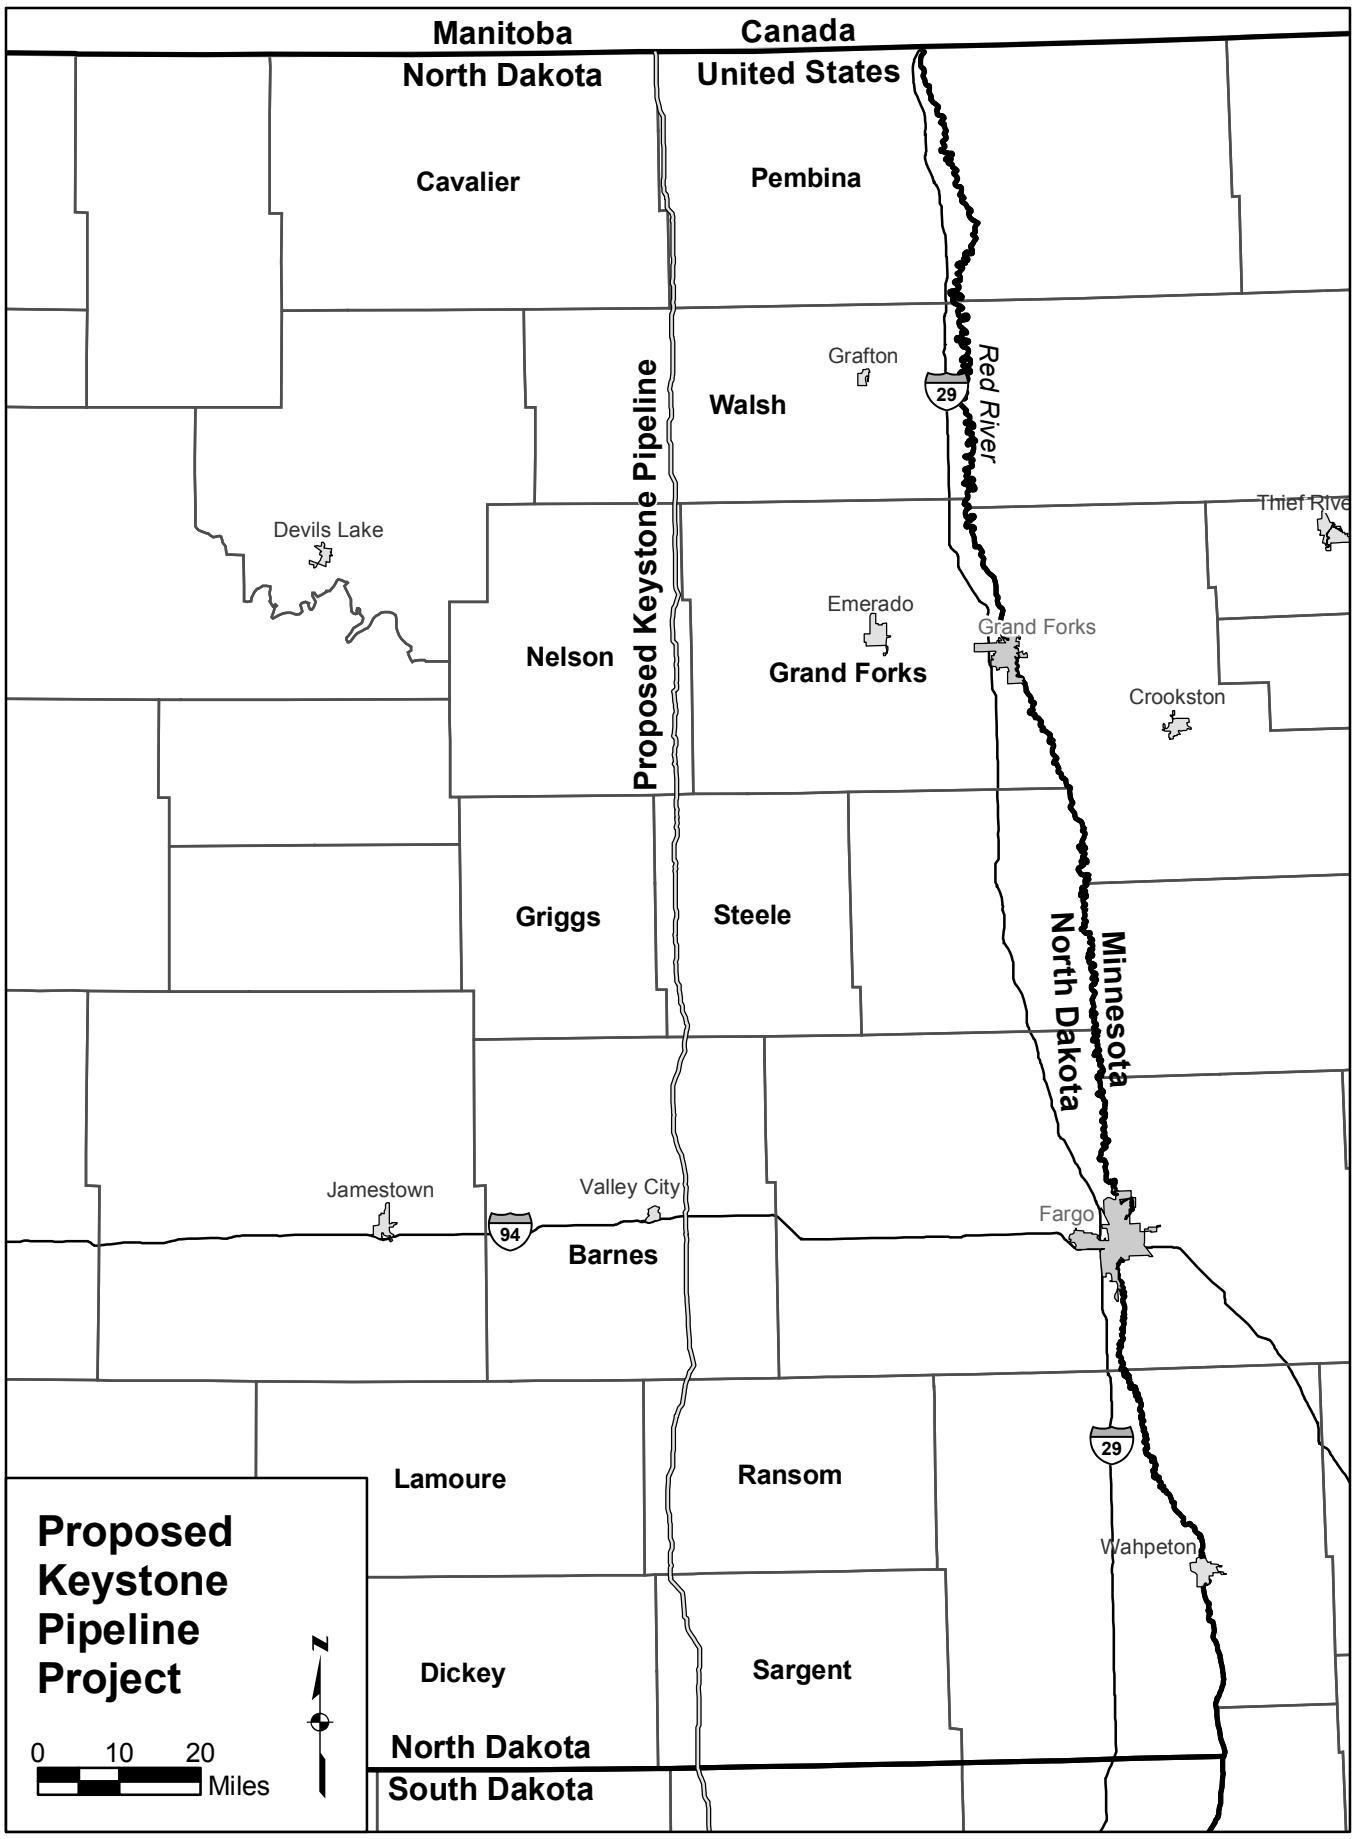

Todd D. Kranda
