Re: TransCanada - Keystone Pipeline Project
Case No: PU-06-421
Our File No. 11815

Dear Ms. Capp:

I am local counsel for TransCanada Keystone Pipeline, LP. I was contacted by Patrick Fahn from the North Dakota Public Service Commission recently and he asked that I provide to you a detailed map showing your property in relation to the proposed route for the Keystone pipeline. Specifically, he indicated that you requested maps to the following:

Section 2, Township 155, Range 57, Cleveland Township, Wells County;
Section 35, Township 156, Range 57, Norton Township, Walsh County; and
Sections 1 and 2, Township 154, Range 57, Dahlen Township, Nelson County

Accordingly, on behalf of TransCanada Keystone Pipeline, LP, I have obtained and I am enclosing for your reference three 8½ by 11 maps which are at a scale of 1":500' showing the proposed Keystone pipeline route in relation to your specific land which has been outlined on these maps.

Also, as requested, is the Keystone Pipeline Project Appendices A-J diskette which is a replacement for the diskette contained within the binder that was recently forwarded to you.

Sincerely,

Todd D. Kranda
