TransCanada Keystone Pipeline, LP
30-Inch Crude Oil Pipeline/Cavalier to Sargent Counties
Siting Applications

Case No. PU-06-421

PREHEARING ORDER

On August 24, 2007, Public Service Commission staff received an email letter and an attached map from the Intervener, Janie Capp. Ms. Capp did not copy anyone else with the email or the map. She specifically asks that her "comments" be "on the record about the TransCanada Keystone Pipeline." Although it is unclear from the email, it appears that Ms. Capp wants the email and attached map on the record of the siting application matter, PU-06-421. A copy of the email and attached map is provided to the other parties along with this Prehearing Order.

The Commission may consider the email and attached map as pre-filed testimony and evidence, but only if Ms. Capp attends the scheduled September 5, 2007, continued hearing and offers the email and attached map as evidence. Because she is an intervener, *i.e.*, a party to this matter, other parties, the commission staff, and the commission must have an opportunity to cross-examine Ms. Capp about the email and the map, if they are admitted as evidence.

Dated at Bismarck, North Dakota, this 24th day of August, 2007.
