

August 29th

Public Service Commissioners'
Susan Wefald
Kevin Cramer
Tony Clark
Judge Wahl
Todd Kranda Attorney
Nicholas Delaney Attorney

We as interveners on case # PU-06-421 TransCanada Keystone Pipeline, LP; Wish to make a motion of continuance on the hearing scheduled for Sept. 5th do to that it will cause a hardship on us because of harvest. Due to the untimely rains and unsuitable drying weather we have not been able to finish our crops. If possible it would be appreciated for 3 to 4 weeks continuance.

Thank you for considering this.
