

**North Dakota Public Service Commission  
TransCanada Keystone Pipeline, LP  
Case No. PU-06-421  
Late Filed Exhibits**

September 19, 2007  
Page 1 of 2

---

**Late Filed Exhibit T-37**

---

**Data Request:**

Report on Easement acquisition status from five miles north to five miles south of Lankin.

**Response:**

Keystone requires easements across approximately 519 tracts of land in North Dakota. As of September 12, 2007, Keystone has acquired 344 easement agreements, representing 66 percent of the easements required in North Dakota.

Table 1 summarizes the tracts on which Keystone required easements within approximately five miles north and south of Lankin, ND. Keystone requires easements with 18 different owners in the Lankin area and has already acquired easements with eight of them.
