Mr. Wahl,

The deadline for the filing of brief's and proposed findings of fact conclusions of law and order in the above case was set for October 12, 2007. At the hearing you indicated that if either party had a problem with this time frame they should contact the other party and try to agree on a new date for submitting the documents. I have contacted Mr. Delaney's office and his partner, Gary Leistico agreed to an extension to file the brief until Monday October 15th. It is our plan to file Keystone's documents right away Monday morning and the Interveners will be filing their brief and proposed findings as the same time.

I did not contact Mr. Binek concerning this request, because PSC Staff is not filing any brief or documents and the delay is only over the weekend and does not involve working days, so will not inconvenience the commission or staff or contribute to any delay.
