Re: Proposed TransCanada Keystone Pipeline, Case No. PU-06-421

On Oct. 19, 2007, the commission received a letter from the North Dakota Water Users Association requesting that the commission reopen the record in the TransCanada Keystone Pipeline case. That letter, which was docketed in case PU-06-421 on Oct. 24, 2007, is attached for your review.

We are providing a copy of that letter to you because the commission will discuss the Water Users Association's request to reopen the record at the commission's working session on Oct. 31 at 1:30 p.m. if all responsive pleadings are received by that time. If all responsive pleadings are not received by Oct. 31, the commission will discuss the request at its working session on Nov. 5, 2007 at 3 p.m.

If you have any questions please feel free to contact the commission.

Sincerely,

Tom Rafferty
