Richard:

I researched some of our more recent flood data to obtain some realistic Sheyenne River elevations data.

Normal Water Elevation: 1207.0
River Banks Full Stage: 1212.0
Minor Flood Warning: 1215.0
Major Flood Warning: 1217.0
Top of Emergency Levees: 1218.5
Top of Emergency Dikes: 1220.0
