Notice to County Auditors and County Commissions Pursuant to Section 69-06-01-02 ND Admin Code:

TransCanada Keystone Pipeline has previously filed with the North Dakota Public Service Commission (PSC) a Motion dated April 7, 2008 for approval of certain reroutes and a subsequent Motion dated April 29, 2008 for approval of five pending route refinements. Also, a Motion dated April 21, 2008 was filed with the PSC regarding the proposed route between mileposts 168 to 170 which includes the Sheyenne River area. These Motions are all on file with the PSC.

The PSC has requested that Keystone provide email notice to each the County Auditors and County Commissions located along the proposed route with a deadline for comment on these two pending Motions that have been filed with the PSC. This email is intended to be such notification to you that any comments on the pending motions be provided in writing to the PSC located at 600 East Boulevard - Dept 408 in Bismarck, with a copy of such written comments also mailed to the undersigned, by **no later than 5:00 p.m.** central time on **Friday, May 16, 2008.**

Thank you for your attention to this matter. If you have any questions or need any further details please feel free to contact the PSC or me.

Sincerely,

Todd D. Kranda
Attorney for TransCanada Keystone Pipeline
