Dear Elizabeth:

A. Ruric Todd III
Jamestown

We have received and reviewed 06-0088uu DOS correspondence of July 10 for **TransCanada Keystone Pipeline: "Addendum 19 to Keystone Project: Class I, II, and III Cultural Resource Investigations in Eastern North Dakota: Access Road 203.2,"** by Andrea Kulevsky (Metcalf Archaeological Consultants, July 2008) and find it acceptable. We concur with the scope of identification efforts undertaken in the TransCanada Keystone project APE, as reported. Also, we concur with **"No Historic Properties Affected"** and **"No Significant Sites Affected"** determinations provided the project takes place in the plotted location and is of the nature stated. Finally, we concur that 32SAx91 is not significant and is not eligible for listing in the National Register of Historic Places. Thank you and we look forward to further consultation and to further review of outstanding documents regarding the project. If you have questions please contact either Paul Picha at (701) 328-3574 or Susan Quinnell at (701) 328-3576.
