Dear Elizabeth:

Diane K. Larson
Bismarck

We have received and reviewed 06-0088tt DOS correspondence of July 10 for **TransCanada Keystone Pipeline**: "Addendum 18 to Keystone Project: Class I, II, and III Cultural Resource Investigations in Eastern North Dakota: Emerado 2 Contractor Yard Expansion, and Access Roads at Mileposts 188.9 and 190.8," by Andrea Kulevsky (Metcalf Archaeological Consultants, July 2008) and find it acceptable. We concur with the scope of identification efforts undertaken in the TransCanada Keystone project APE, as reported. Also, we concur with "**No Historic Properties Affected**" and "**No Significant Sites Affected**" determinations provided the projects take place in the plotted locations and are of the nature stated. Thank you and we look forward to further consultation and to further review of outstanding documents regarding the project. If you have questions please contact either Paul Picha at (701) 328-3574 or Susan Quinnell at (701) 328-3576.
