Dear Elizabeth:

Diane K. Larson
Bismarck

We have received and reviewed **06-0088vv** DOS correspondence of July 21 for **TransCanada Keystone Pipeline**: "Addendum 20 to Keystone Project: Class I, II, and III Cultural Resource Investigations in Eastern North Dakota: Fordville Rail Siding Expansion," by Andrea Kulevsky (Metcalf Archaeological Consultants, July 2008) and find it acceptable. We concur with the scope of identification efforts undertaken in the TransCanada Keystone project APE, as reported. Also, we concur with "**No Historic Properties Affected**" and "**No Significant Sites Affected**" determinations provided the project takes place in the plotted location and is of the nature stated. Thank you and we look forward to further consultation and to further review of outstanding documents regarding the project. If you have questions please contact either Paul Picha at (701) 328-3574 or Susan Quinnell at (701) 328-3576.
