**NDSHPO REF. : 07-0003b PSC/USFWS Transmission Corridor &  
Tatanka Windfarm, Dickey and McIntosh Counties, North Dakota—Draft  
Cultural Resources Summary Report**

Dear Mr. Blondo:

We have received and reviewed project: 07-0003b "Draft Preliminary Class III Cultural Resource Investigation Summary for Tatanka Wind Farm," by Steven J. Blondo, Ryan P. Grohnke, and Amanda M. Gronhovd (January 19, 2007).

At this point, and in consultation with the USFWS, we look forward to receiving for review: (1) completed NDCRS site forms for SITS assignments, and (2) a complete Class III inventory report(s), including map documentation, covering the North Dakota investigations before offering a recommendation/full review response on this project.

Thank you for the opportunity to review the project and we look forward to further consultation regarding it. If you have questions please contact either Paul Picha at (701) 328-3574 or Susan Quinnell at (701) 328-3576.

Sincerely,

Merlan E. Paaverud, Jr.
