STATE OF NORTH DAKOTA
PUBLIC SERVICE COMMISSION

**Otter Tail Corporation
Advanced Determination of Prudence –
Renewable Generation Rider
Application**

Case No. PU-06-466

NOTICE OF OPPORTUNITY FOR HEARING

February 27, 2008

On February 1, 2008 Otter Tail Corporation filed an application for a determination of prudence for its ownership interest in the Langdon, ND wind farm. North Dakota Century Code Section 49-05-16(6) provides there is a rebuttable presumption that an energy conversion facility located in the state is prudent.

The application also requests full recovery of these costs through a generation rider that would be added to customers' bills each month. For the average residential customer using 750 kWh per month, the rider would add \$1.45 per month.

The issues to be considered are:

1. Whether Otter Tail's investment in the Langdon wind farm is prudent?
2. Should the commission approve the rider that would allow Otter Tail to recover its costs associated with the Langdon wind farm?

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. Comments and requests for hearings must be received by **April 1, 2008**. If deemed appropriate, the commission can determine these matters without a hearing.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400 or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials, please notify, Illona Jeffcoat-Sacco, Executive Secretary, at least 24 hours in advance.
