Gloria this is to notify you that the North Dakota FY2007 AML Grant S07AP12360 has been closed and \$594.81 was de-obligated from subaccount SS03. This same amount will be added to your FY2008 AML Grant as you requested in your cover letter of February 17, 2009. I will notify you when that occurs. In addition please feel free to have any equipment or supplies purchased from this 2007 AML Grant to be moved forward for use in your current and future grants, thanks.
